No

Nothing

Mentaining cleaning

Timing should be matched by both the parties....cause sometimes cattles need to feed & that time students came it will be difficult for them to understand & to explore clearly...

Types of business like farm

The place of very nice

Good

Amazing experience... business skill development future very helpful visit

A good thinks

U r great visit performance..thats like it..

We got to learn so many things . In this hustle bustle life no one is aware about cattle breeding and I think it was a great opportunity for us to gain knowledge about livestock

Learned about how agriculture system works, how to take care of cows and buffaloes well. And many such things

The overall cattle breeding farm visit was inspiring to students like us. It was arranged to make us aware about the opportunity we have for emerging a business through and with the sense of animal's welfare . while we were taught about various techniques used by them in such breeding farms.

I like this visit & it's very important for educational purpose

Nice👍
