Practical knowledge is very important to understand how things actually work. It makes the student a verbal expert on the topic. With this in mind, the Students Moot Court Association of Dr, Ambedkar College, Nagpur organized its In- house Moot Court Competition on 23rd March 2024. The students willing to participate got their moot proposition upon registration. As the tradition goes, the moot proposition is based on real life events, as to encourage reading and research among the students. The problem chosen was based on the Farmer's Protest, however, certain changes had been made and certain deviations were kept as to make it more challenging.

The memorials were collected on 19th march 2024. Draw of lots and memorial exchange was also organized on the same day where the teams got to know the side they would represent and the team they would argue against. To ensure that the participants would give their best, a clarity session was also taken so that students can understand the dos and don'ts which they needed to take care of before the judges.

This year 10 teams consisting of Mooter 1, Mooter 2 and Researcher participated in the competition and the SMCA has conducted the MCQ test for Researcher on 21st March 2024. On the day of competition the college was honoured to have Adv. Sanket Bhandarkar, Adv. Ritesh Tahliyani, Adv. Suyog Deshpande and Adv. Ayushi Dangre as the Hon'ble Judges for the competition. The competition commenced in two rounds. Two teams, Team TC-3 and Team SA-1 qualified for the final round and the final round was also commenced on the same day i.e 23rd March 2024.

It is appropriate to say that the SMCA left no stone unturned in co-ordinating the event. The students body showed excellent organizational skills under the guidance of SMCA Co-ordinators Dr. Mrs Vaishali Sukhdeve and Ms. Sarika Kamdi. Lastly and most

importantly the event was successful because of constant support and supervision of DR. Mrs Varsha Deshpande and the Head of the Department of law Prof. Dr. Mrs H. V. Menon.
