“Campus Recruitment Training”

By: Ashish Diwan, Director,Wonprep LTD, Nagpur

Date: 13th October,2023

A campus recruitment training was organized for the students of BCA Sem 5 and Sem 3 students of BCA in kumbhare sabhagraha at 12:00 pm on 13/10/23.The primary objective of campus recruitment is to identify and hire potential candidates who possess the necessary skills, knowledge, and qualifications to meet the organization's workforce needs. It equips them with the skills and knowledge necessary to succeed in the competitive job market. A well-designed campus recruitment training program can help students develop their communication, leadership, problem-solving, and teamwork skills, as well as prepare them for job interviews and networking events. Campus recruiting is like matchmaking for skills. Companies can handpick candidates with the necessary skills, tailoring their workforce to tackle modern challenges head-on. These questions aim to assess candidates on sub-competencies such as analytical ability, numerical ability, verbal ability and data analysis. These campus placement aptitude tests help recruiters in many ways, including finding a suitable candidate hassle-free and enabling them to make unbiased hiring decisions.

The speaker conducted a seminar on the process of campus recruitment giving students an idea s to what procedures they have go through for the placement drive campaign. For practicing, Sir made students to download their official application **WONPREP**, students were able to go through the different sections of placement recruitment like group discussion topics, aptitude test mock, reasoning and logical questions.

Total 83 students participated in this seminar and were totally benefitted with the learning's they received in this program. Dr. Prashant Yende, Head of the Department, Dr. Harshala Pethe, Mrs. Priyanka Soitkar, Mrs. Shama Khan and Javed Shah were present in this seminar. Vote of thanks was given by Aastha Shivhare,student BCA Sem III. Overall the seminar was fruitful for the students.

GLIMPSES OF THE SEMINAR
