(Dr. Mrs. B. A. Mehere)

The Department of English conducted a 30-hour comprehensive Spoken English Course which aimed at enhancing the communication skills of students. The course with a specific focus was curated and facilitated by Mr. Manoj Andraskar and Mr. Ankit Banpurkar (Assistant Professor) to meet the communication related demands of the modern professional sectors. As it provided a productive platform for the college students to enhance their speaking skills, the department received the registration of 105 students from all the disciplines.

The course covered essential aspects of Spoken English including basics of grammar, vocabulary, pronunciation, presentation skills and interview skills and to assess participants' comprehension of the course modules.

The Course was inaugurated on 12 February 20224 by Dr. Mrs. B. A. Mehere (Principal), Dr. Shailesh Bahadure (Professor & Head, Department of English). In her address, Dr. Mrs. Mehere emphasised that there is an urgent need of developing oneself with as many skills as one can and communication is of the foremost importance. In the current scenario, as many sectors are looking for freshers with a good command over communication in at least one foreign language, the course is relevantly picked up and planned. Dr. Bahadure congratulated the course coordinators for the entire preparations required for the course and thanked for being proactive in the larger interest of the learners.

Different sessions were conducted for 30 clock hours as per the syllabus designed and sufficient space was provided for practical sessions where students participated with great enthusiasm. A few sessions were organised on fresh requisitions made by students during the course. Sessions on Group Discussions and presentation skills helped students to learn important modalities which are generally followed during interviews and recruitment process.

A formal written test was conducted at the end of the course to assess the learning and outcomes were judged. Outstanding students were presented to the peers in order to motivate them for further learning.

A Valedictory programme was planned and organised on 26th February 2024 entirely by students wherein they presented feedback on the course.
