

NOTICE of the PROGRAM (Special Day Celebration)

Intimation was circulated among the semester wise groups on social media

Program	Special Day Celebration International HAPPINESS Day
Date	March 20, 2024
Objective	To introduce students to the conservational aspect of animals
Coordinator	Dr DVNS Suresh
Venue	Department of Zoology (Online Platform Submissions)

Department planned a special day celebration of International HAPPINESS Day, World SPARROW Day & World FROG Day on March 23 by making drawings, paintings, charts, and posters and spreading the note of conservation of animals specially sparrows around us in a different manner among the other students & staff of the college but, because of corona pandemic, it could not be celebrated as planned. Later on the day, we shared the images, slogans and pictures of sparrows and celebrated the day online way using our whatsapp groups in all the semesters.
