The mentoring activity for the 2023-2024 session was organized for the regular students. Dr. A.N. Wazalwar, the Head of the Department, along with faculty members Dr. A.R. Bansod, Dr. Namrata Pradnyakar, and Dr. Pritee Wakudkar, distributed the students of PEM and PSM for SEM IV and SEM VI among themselves.

Forms were generated and feedback was received from the 25 students for whom mentoring activity was conducted. The questionnaire form was designed keeping in mind, scholastic development, psychological development, personality development and emotional well-being of the students; Students were guided according to the feedback received from students in each session. The analysis was conducted, and feedback was promptly provided to the students. Suggestions and improvement areas were notified to each mentee. All the mentors interacted with the mentees on different problems which were faced by them. Suggestions and improvement areas were given to them and timely review was provided. Progress of each student was recorded and noted down.

Any problem may it be personal or academic was addressed by the faculty members and suggestions were duly given to the students for improvement. Through this activity emotional support was also provided to the students who needed them occasionally. Majorly students face problems due to medical issues, their financial situations and lack of concentration in studies due to overly use of social media. The faculty members duly solved the problems, gave suggestions and tried to solve the problems of the students may it be teaching, learning or stress generated due to their day to day life.
