ORGANISED BY : DEPT. OF CHEMISTRY

VENUE OF PROGRAM : CHEMISTRY DEPARTMENT

DATE OF PROGRAM : 14 DECEMBER 2023

NO. OF PARTICIPANTS : 6

ACS
Chemistry for Life®

REPORT

This activity was organized on 14th December 2023. During this event, our team members performed various experiments which included Natural indicators, Superstition and Adulteration. These demonstrations were performed in front of the prestigious NAAC committee, which visited the college with the intent of college inspection.

In front of the committee some of the best practices of the college were showcased and ACS being one of the best practices of **Dr. Ambedkar College, Nagpur** was also displayed at the forefront.

Altogether 6 students were in charge of demonstration of the experiments performed under the guidance of ACS Faculty Advisor **Prof. Dr. Deepa Panhekar Ma'am** and ACS Faculty Co-Advisor **Dr. R. Sawant** and also other faculty members of the department.

- **THE PRESTIGIOUS NAAC COMMITTEE INSPECTING THE DEPARTMENT**

- **STUDENTS DEMONSTRATING VARIOUS EXPERIMENTS**
