DEEKSHA BHOOMI, NAGPUR**

TREE PLANTATION IN THE MEMORY OF LATE Dr. S. K. BISWAS

Trees contribute to the **environment** by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. They also are important part of every community, our streets, parks, playgrounds and backyards when lined with trees create peaceful, aesthetically pleasing environment. They increase our quality of life by bringing natural elements and wildlife in the urban environment and this is acknowledged in the Governments Sustainable Development Strategy.

Throughout the world, about **900 million trees** are cut down annually, **Twenty nine million, eight hundred thousand trees** (29,800,000) are cut down every day in the world. Annual tree mortality ranges from 1 to 3%, so approximately **14,000-45,000** of these trees will fall every year. About **50,000 trees** should be planted every year in the study area to ensure that the city's tree cover does not fall below its current level.

In order to create awareness amongst youngsters, Dr. Ambedkar College, Deekshabhoomi, Nagpur has conducted tree plantation program in the memory of Late Dr. S. K. Biswas, former H.O.D of the department of Biochemistry and Biotechnology on 21 July 2023. All the faculty members, non-teaching staff members of the Department, and Principal of the college Dr. B. A. Mehere has participated enthusiastically in the programme and planted different flowering, medicinal and ornamental plants.

Valuable efforts has been taken to organize the above programme by Dr. Utpal Dongre, H.O.D, Department of Biochemistry and Biotechnology and all the teaching and non- teaching staff.

“Never say there is nothing beautiful in the world anymore. There is always something to make you wonder in the shape of a tree, the trembling of a leaf.”

— *Albert Schweit*

GLIMPSES OF TREE PLANTATION ON DATED 21-07-2023

Dr. B. A. Mehere, Principal of the college planting sapling on the occasion of Birth anniversary of **LATE Dr. S. K. BISWAS**

Dr. Utpal Dongre, HOD, Department of Biochemistry & Biotechnology and staff members planting a sapling

Tree Plantation feedback form

Thank you for participating in our event .We hope you had as much fun attending as we did in organizing it.

Please fill this quick survey and let us know your thoughts (your answer will be anonymous)

TREE PLANTATION PROGRAMME On 21 July 2023

Department of Biotechnology & Biochemistry

Dr. Ambedkar College , Deekshabhoomi ,Nagpur

Time: 11 am

Name of Student *

Swati Chimurkar

Mobile No.

7083018625

1. Was the event appropriate to your need ?

- Not at all
- Yes its a very much useful
- partially helpful

2. How satisfied were you with the activity *

1

2

3

4

5

3. How relevant and helpful do you think it was *

1

2

3

4

5

4. What eeds to change to make the activity more successful in future *

Plant more trees in campus

5. Did this activity meet our objective ? *

Yes

6. Please provide any additional comments or suggestions you may have.

Great initiative taken by the department
