Department of Biochemistry and Biotechnology

Report on

Competitive exam qualified students during 2023-24

This report outlines the achievements of students from the Department of Biochemistry and Biotechnology who have excelled in various competitive examinations during the academic year 2023-24. The department takes pride in acknowledging the accomplishments of its students, showcasing their dedication, intellect, and commitment to academic excellence.

1. Baghyshree Bawankule

M.Sc. Biotechnology Sem-IV student of our department qualified **CSIR-NET JRF -2023** in life science with all India rank 172 and GATE -2023, DST-INSPIRE fellowship

2. Abhishek Kalbande

Abhishek Kalbande, a graduate student from the department, has demonstrated outstanding performance in several prestigious examinations:

- IIT JAM 2024:** Abhishek secured an All India Rank (AIR) of 111 in Biotechnology, reflecting his strong grasp of the subject matter and aptitude for competitive assessments.
- GATE 2024:** - In the Graduate Aptitude Test in Engineering (GATE) 2024, Abhishek achieved commendable results: - AIR 822 in Biotechnology. - AIR 906 in Life Sciences, showcasing versatility and proficiency across related disciplines.
- TIFR 2024:** Abhishek's exceptional performance continued with an outstanding AIR of 4 in Biological Sciences in the Tata Institute of Fundamental Research (TIFR) examination, underscoring his deep understanding and scholarly capabilities in this field.

3. Shreyashree Jambhulakar

Another noteworthy M.Sc. Biotechnology Sem-IV student, Shreyashree Jambhulakar, showcased her academic prowess by qualifying in:

- GATE 2024:** Shreyashree successfully qualified in Biotechnology, exhibiting her competence and dedication to her chosen field of study.

4. Yash Ramateke:

Yash Dhruve's success in the Maharashtra Common Entrance Test (MHCET) for MBA indicates his multidisciplinary approach and readiness for future academic pursuits

5. Indrakshee Surpatane

Indrakshee Surpatane's is our B.Sc student qualified in the Test of English as a Foreign Language (TOEFL) demonstrates linguistic proficiency and readiness for international academic endeavors.

The Department of Biochemistry and Biotechnology congratulates Bahyashree Bawankule , Abhishek Kalbande, Shreyashree Jambhulakar, Yash Ramateke, Yash Dhruve, and Indrakshee Surpatane for their remarkable achievements in various competitive examinations during the academic year 2023-24. Their success reflects not only their individual diligence and commitment but also the department's academic rigor and quality of education. We extend our best wishes to them for their future endeavors and remain committed to nurturing and supporting the academic aspirations of all our students.

This report acknowledges the achievements of the mentioned students and highlights the department's commitment to excellence in education and academic pursuits.
