Participants in the workshop

Workshop feedback form

Dear participants please fill this form and give your valuable feedback on workshop - Research Methodology and Scientific writing -2024

1. Was the workshop appropriate to your need ?

- Not at all
- Yes its a very much useful
- partially helpful

2.How well did the presenter(s) cover the subject matter?

- Not at all
- Very well

3. How were theory and practical sessions of workshop

- difficult to understand
- Easy to understand

4. Workshop helped me to learn about research design and how to apply statistics in Research

- strongly disagree
- Agree
- Strongly Agree

5. Do you think it was for your career in Research

- Yes
- No
- Maybe

6. Please provide any additional comments or suggestions you may have.

It was nicely organised...such types of workshop must be organised in future also
