All MSc. & BSc. (biotechnology & biochemistry) can join us to make it a memorable moment

All students of UG & PG of Department of Biochemistry and Biotechnology organized an event named “ Synergia” on 6th April 2024 in Dadasaheb Kumbhare hall ,Dr.Ambedkar College, Deekshabhoomi ,Nagpur brought together a diverse array of cultural expressions, captivating attendees with its rich tapestry of performances and other activities. In total 50 students were engaged in an event. From various dances to musical performances and different games , the event celebrated the vibrancy and diversity .This event was inaugurated with the blessings of Lord Gautam Buddha and Param Pujya Dr.Babasheb Ambedkar with lighting ceremonial lamp and garlanding the portraits by all the faculty and non teaching members of the department. All the staff members were welcomed by all the students with a token of gratitude. The event began with warm welcome words by our respected Principal Dr.Meher madam followed by the introductory remarks given by the Head of Department Dr.Utpal Dongre sir who on request by the students sang a lovely song. The coordinator of the event Pradip Hirapure sir embraced the event with his motivational talk and poetry. In addition a mesmerizing dance performances of students followed by an quite an inspirational speech given by Pallavi madam. Laughter, applause, and lively conversations filled the air as people immersed themselves in the festivities

Students continued the event with their few singing performances. And various games were also played by faculty members as well as students and small rewards were given too. The program was then followed by lunch ,dance and the photo session.

Synergia was a resounding success, bringing people together in a celebration of diversity and unity. Through its performances,

exhibitions, and vibrant atmosphere, the event reminded us of the power of culture to inspire, educate, and connect us all.
