REPORT

Social Outreach Cell, DACN Activity at Govt. Girls Ashram School, Sode, Dist. Gadchiroli, on 26th Sept, 2023.

The Social Outreach Cell of Dr. Ambedkar College Nagpur organized a Environmental Awareness activity and & Plantation drive at Govt. Girls Residential School, Sode, Dhanora, Dist. Gadchiroli on 26th Sept, 2023.

It is now the high moment for us to advocate the school students to 'payback to nature' initiative in order to maintain the balance of nature and nature resources for sustainable future. By doing so, we aim to inculcate habit of ecology and biodiversity conservation for future generations. Keeping local environmental concern and rapid habitat destruction at biodiversity and endemic rich area, this task was performed to protect and save green wealth of India i.e. forest of Dhanora range forest area from irreversible loss of forest cover from the destructive anthropogenic activities.

During this activity 87 girls students were activity participated along with teaching and supporting staff of Govt. Girls Residential School, Sode, Dhanora, Dist. Gadchiroli on 26th Sept, 2023. **Dr. (Mrs.) B.A. Mehere**, Principal, and **Dr. Deepa Panhekar**, IQAC Coordinator DACN has guided for the said program while **Dr. S.R. Somkuwar**, (Assoc. Prof. & Head, Dept. of Botany and coordinator of social outreach cell, DACN) arranged and conducted this program successfully.
