NOTICE:

Notice

All the students of BSc. Sem-5 (*Social outreach cell*) are hereby informed that, Dr. Ambedkar College Deekshabhoomi, Nagpur is organizing the Plantation Drive Program to celebrate "*World Nature Conservation Day*" on 28th July 2023, 01:00 pm onwards at *Kachipura slum area*. Principal of the College Dr. (Mrs.) B.A. Mehere will preside over the function.

Attendance is strictly mandatory to all the students.

Dr. S.R. Somkuwar
(Head, Dept. of Botany)

BROCHURE:

The brochure features a green background with a central illustration of a globe held by two hands, with a river flowing through it. At the top left is the college logo, and at the top right is a circular logo for the Department of Botany. The text reads: "WORLD NATURE CONSERVATION DAY" in yellow and white, followed by the theme "Forests and Livelihoods: Sustaining People and Planet" in white. Below this, "PLANTATION DRIVE" is written in large, bold, green letters with a black outline. Underneath, it says "Organised by Department of Botany Dr. Ambedkar College Deekshabhoomi, Nagpur 440010, India". At the bottom left, a calendar icon is next to the date "28 July 2023". At the bottom right, an alarm clock icon is next to the time "01:00 PM onwards".

Social Outreach Cell,

Dr. Ambedkar College, Deekshabhoomi, Nagpur

World Nature Conservation Day is observed all over the world on July 28 of every year. It is observed to create awareness on protecting and conserving natural resources. A healthy environment must be created to safeguard the present and future generation. Earth gives key necessity to live like water, air, soil, minerals, trees, animals, food to us, so it is required that we keep our nature clean and healthy. This year 2023, the theme of the World Nature Conservation Day is “Forest & Livelihoods: Sustaining People and Planet”.

Department of Botany has organized Sapling Plantation Program at Kachipura slum area, Nagpur as a Social responsibility towards the community and the mankind to aware about the importance of Nature Conservation and it's benefit throughout all the upcoming generations on 28/07/2023 at the hands of Dr. (Mrs.) B.A. Mehere, Principal, Dr. Subhash R. Somkuwar, coordinator social outreach cell and Head, Dept. of Botany, Dr. Rahul B. Kamble-faculty Dept. of Botany, Non-teaching staff, students of Botany and local peoples. 25 students have enthusiastically participated in the drive. 50 saplings viz. *Bahunia variegata*, *Polyalthia longifolia*, *Emblca officinalis*, *Mangifera indica*, *Clerodendrum infortunatum* etc. which are cultured in **Samrat Asoka Botanical Garden**, Dr. Ambedkar College, Deekshabhoomi, Nagpur, distributed and planted to Kachipura locality.
