

**DR. AMBEDKAR COLLEGE, NAGPUR**  
**DEPARTMENT OF STATISTICS**

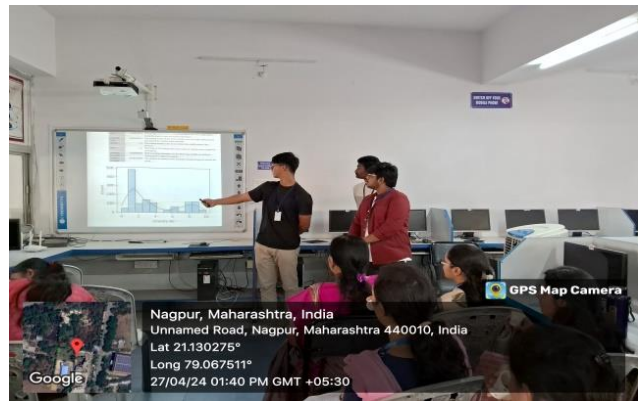

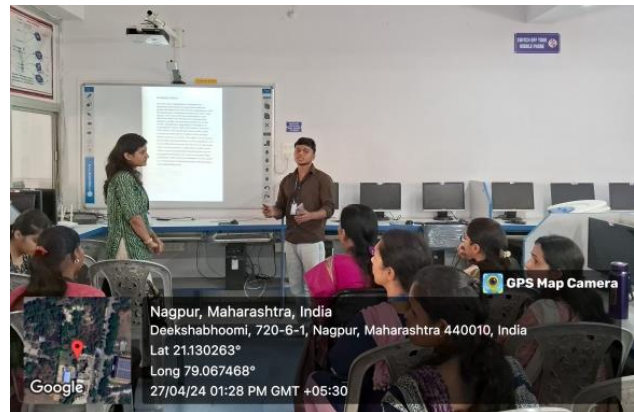

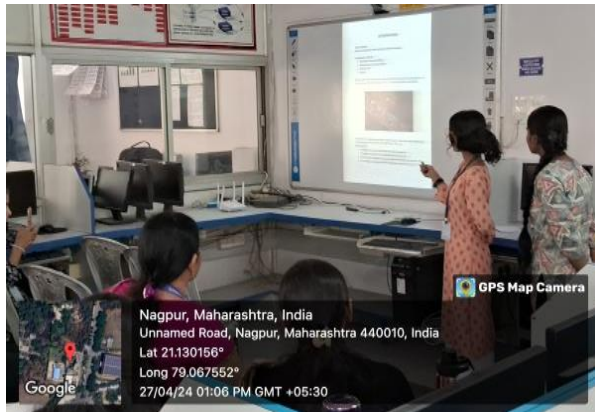

## **PROJECT PRESENTATION**

As a part of academic activity, the Department of Statistics had conducted “Project Presentation” on **27<sup>th</sup> April, 2024**. Our purpose was to make students aware of the applications of Statistics in various fields. It’s known that ‘Data is NEW OIL’. The need of the day is handling data, performing analysis using different software, drawing valid inferences and presenting the same. This small effort helps students to make optimistic approach and career in this direction.

A group of 2-3 students worked on a project whose topic chosen on their own. 10 minutes were allotted to each group for presenting their project so that every student gets the chance to present. Students gave their PowerPoint Presentations and submitted the project reports. Altogether there were **8** groups who presented different interesting topics.

Students belonging to 1<sup>st</sup>, 2<sup>nd</sup>& 3<sup>rd</sup> year benefitted from the activity. The presentations were enriching for the students and it ended with an interactive session between Principal Ma’am, project presenters and faculties.
