About Induction Program:

The **Deptt. Of Electronics** conducted the various activities during the academic session for the overall Development of the student. The activities just like Induction Program, student's seminar, Guest Lecture by eminent people, carrier Guidance program, designing the project work in Electronics, Physical Activity, Mentoring, Familiarization to the Department of the Electronics visits to local Area and Extra- curricular activities in college. The new students should be introduced to the extra-curricular activities at the Department/college or the University level they should be show the facilities and informed about activities

The B.Sc first Semester students come from school to college. The college life is one of the most challenging events in a student's life. When new students enter the college, they come with diverse thoughts, background and preparations. They come into a new unfamiliar environment. The most of them have little knowledge of a University / college therefore, it is to welcome new students to higher Education and prepare for their new role.

The purpose of Diksharambha Program is to help new students adjust and feel comfortable in the new environment. They help them build bonds with other students and faculty members and expose them to a sense of longer purpose and self-exploration.

Student induction Program engages with the new students before regular classes start. It could cover a number of different aspects such as Socialization, Association, Covering and Experiencing. Socialization means that meeting other new students meet to the senior students, lecture by eminent people. Associating means that visit to college / University visit to Department, Programmed of study and important place in campus. Governing means that rules and regulation by Department of College, student support etc. Experiencing means that subject teacher, study skills small group activities, physical activity and creative performing arts, literacy activities, Universal human values etc.

This year the **Department of Electronics, Computer Science, Mathematics & Statistics** jointly organized and conducted the Induction Program [Deeksharambh] program for B.Sc.-Sem-I (Major) students On 23-08-2024 at 11:00 AM in Mini Auditorium. The **Dr. Mrs. B.A.Mehere**, Principal, Dr. Ambedkar College, Deekshabhoomi, Nagpur was the President of the Deeksharambh Program and guided to the students. The program began at 11.00 am in presence of **Dr. Kishor Rokde** , Head, Department of Electronics, **Dr. P. V. Nimbalkar**, Head, Department of Computer Science, **Dr. Jitesh Tripathi**, Head, Department of Mathematics, and **Ms. Kataria**, Head, Department of Statistics, Faculty members, Non-Teaching staff members of respective Department were present during the program. The program was started by offering petals to the portraits of Lord Gautam Buddha and great revolutionary stalwarts Dr. Babasaheb Ambedkar. Dr. Jitesh Tripathi welcomes the Respected Principal by offering Bouquet. Dr. B. A. Mehere, Principal of the College, guided the students in presidential address about their academic session, college timetable, infrastructure, carrier guidance etc. The respective Heads of the Department also addressing the students about different activities conducted by college and Department for the overall academic year.

The students also aware about different cells in college, examination pattern and discipline in the college with presentation. **Prof. Winit Anandpawar** spoke about distribution of marks in activities under CC head. 73 students were present in this program. **Mr. Rakesh Uikey**, Assistant. Professor, Department of Computer Science conducted the program and the program concluded by formal vote of thanks.
