Department of Physics

The Department of Physics at Dr. Ambedkar College, Deekshabhoomi, Nagpur, successfully conducted a one-day Vedic Mathematics workshop on August 8, 2024. The event aimed to introduce students to the ancient Indian system of mathematics renowned for its speed and accuracy. The workshop commenced with a formal inauguration. A warm welcome was extended to the guests by Dr. N. V. Pradyankar and Dr. P. V. Wakudwar from the Department of Physics, followed by an insightful address by the Principal, Dr. B. A. Mehere Ma'am, who emphasized the contemporary relevance of Vedic Mathematics.

The focal point of the workshop was a comprehensive lecture delivered by Dr. P. C. Deshpande, an expert in the field of Physical Science. She elucidated the core principles of Vedic Mathematics and demonstrated its practical applications. Participants were engaged in interactive sessions, exploring various Vedic mathematical techniques for multiplication, division, and square root calculations. The workshop underscored the mental agility and problem-solving skills fostered by this ancient system.

Along with faculty member, Dr. A. R. Bansod, other teaching faculty and non-teaching staff from the Department of Physics, actively participated and contributed to the event. Their expertise and support were invaluable in enriching the workshop experience. Dr. A. N. Wazalwar, Head of the Department, also played a pivotal role through her unwavering support and encouragement. Ms. S. P. Patinge adeptly anchored the event, while Ayush O.Fendar delivered a heartfelt vote of thanks. The workshop garnered around enthusiastic participation from around 200 students.
