Department of Electronics
Teacher's Day

Date: 5th September 2024

Time: 12.00 pm to 1:00 pm

Number of Students: 30

Venue: Room No- 209 & 210

The students of Electronics celebrated Teacher's Day every year on 5th September. This year again the students of B.Sc [Electronics] organizes the teachers day program on date 5th September 2024 at room no.209 & 210. The program was started with lightning of a traditional lamp and garlanding with the flowers to the Dr. Sarvapalli Radhakrishnan, second President of India, by **Dr. K.Y.Rokde**, Head of department of Electronics. Students felicitated all the teachers with a flower bouquet on the occasion of "Teachers Day" at DACN Nagpur at Room No. 209 & 210. The Deptt. Of Electronics invited the chief guest of function **Dr. Harshala Pethe** madam who was the faculty of BCA, Dr. Ambedkar College, and Nagpur. During the program, the speech was given by **Dr. Harshala Pethe** focuses and addressed the students about the NEP education policies, carrier Development & Communication Skills etc. also the **Dr. Kishor Rokde** focuses on Job opportunities in the subject of Electronics, Extracurricular activities and higher education in the field of Electronics. The other faculties from different departments like Dr. P.V.Nimbalkar [Head, C.S department], Prof. Winit Anandpawar [C.S department], Dr. Avinash Hedau [C.S department], Bondar Sir [C.S. department], Suraj Paldhikar [C.S department] & Jitendra Tripathi [Maths Department], Prof. Katariya Madam [Statistics department] etc.

Ekta Kotangale delivered her speech regarding teachers on development of divinity in each person and making him to work for the society is a major contribution of a teacher. Teacher's contribution in building character and the creation of a new nation is very important, therefore teacher should vow to develop students to lead the entire world.

All the students participated in the program. Himanshi Shende conducted the proceeding of the program and Tanvi Guhe proposed a vote of thanks.
