**The Inter-Class Quiz Competition was Held at Department of
Physics**

The Inter-Class Quiz Competition for B.Sc. First Year students was held on September 9, 2024 at the Department of Physics of Dr. Ambedkar College, Nagpur. The event was hosted by Ms. Pooja Fulekar, Ms. Ishika Ampatwar and Mr. Yashpal Gedam. The event saw enthusiastic participation from students of the first year. The event aimed to enhance the students' knowledge, promote teamwork, and encourage a healthy sense of competition among the new students. Students were divided into three groups viz. Group No. 1, Group no. 2, Group No. 3, Group No. 4 ; of which each consisted of six students each.

The competition was divided into multiple rounds of MCQ questions including:

1. General Science Round – Questions related to basic Physics of (10+2) level were asked
2. VSC Practical Quiz Round – Questions were focused on VSC Practicals of B.Sc. First Year
3. SEC Practical Quiz Round – Questions were focused on SEC Practicals of B.Sc. First Year
4. Multiple Select Questions Round - This round was introduced as a tiebreaker between the groups if any.

The quiz began at 4.00 PM. Dr. Mrs. Aarti Wazalwar, Head of the Department of Physics along with Dr. Mrs. Namrata Pradnyakar, Dr. Mrs. Pritee Wakudkar, Dr. Mrs. Pranita Deshpande were present to ensure the competition takes place smoothly and without any partiality. Teams competed fiercely, with rounds becoming progressively more challenging. The competition was not only a test of knowledge but also of quick thinking and teamwork. After four rounds of intense quizzing Group no. 2 comprising six students viz. Ms. Mahakpreet Kaur Rai, Ms. Achal Wasnik, Ms. Anushka Chake, Ms. Manavi Garge, Ms. Sakshi Uikey and Ms. Parnashri Bhagat emerged as the winners, scoring a total of 16 points. The prize distribution ceremony for winners in Competition is scheduled on September 25, 2024 at the Physics Society Program.

All the teams displayed remarkable knowledge, enthusiasm, and competitive spirit throughout the competition. The Inter-Class Quiz Competition was a resounding success. It not only tested the students' knowledge but also fostered a sense of togetherness and healthy competition among them. The event served as a reminder of the importance of continuous learning and intellectual growth.
