

Dr. AMBEDKAR COLLEGE, DEEKSHABHOOMI, NAGPUR

Department of Physics

Report on Educational Games

Name of the Programme : Science Quest
Date of the Programme : 25/09/2024
Number of Participants : 167
Hosted by : Dept. of Physics
Resource Person : Ms. Yashashree More, B. Sc. 2nd year & Harnish Humne B. Sc. 2nd Year

Notice

Objectives:

1. To encourage students to deepen their understanding of core scientific concepts in physics
2. To foster analytical thinking and the application of theoretical knowledge to practical scenarios.
3. To inspire a sense of healthy competition and teamwork among participants.
4. To broaden their perspective on how scientific knowledge is interconnected.

The Physics Department of Dr. Ambedkar College, Nagpur, organized a fun science quiz as part of the installation and inauguration of the Physics Society. The event aimed to engage students in scientific inquiry and foster a spirit of healthy competition. Coordinator of Physics Society Ms. Yashashree More with her colleague enthusiastically handled the audience and quiz session.

Department of Physics

Quiz Details:

- Participation: Open to all students in the audience
- Format: Random selection of students to answer questions

Highlights:

- Active participation from the audience
- Questions covered fundamental concepts and recent scientific advancements
- Emphasis on critical thinking and problem-solving skills
- Winners received prizes for correct answers

"Dr. Mrs. B.A. Mehere, Principal of Dr. Ambedkar College, commended the Physics Department's initiative, stating, 'Such events inspire students to explore the wonders of science and develop a scientific temperament.'"

"Dr. Mrs. Aarti Wazalwar, Head of Physics Department, thanked the college administration, faculty, and students for their support, emphasizing the importance of nurturing scientific curiosity among students.

The science quiz successfully engaged students in scientific inquiry, promoting active learning and teamwork. The Physics Society's inauguration marked a significant milestone, fostering a vibrant community of science enthusiasts.

Outcomes:

1. Improved Understanding of Core Scientific Concepts of the students.
2. Enhanced Critical Thinking and Problem-Solving Abilities
3. Increased Interest and Engagement with Science
