All the non-teaching staff members should remain present for the training positively.

HOD

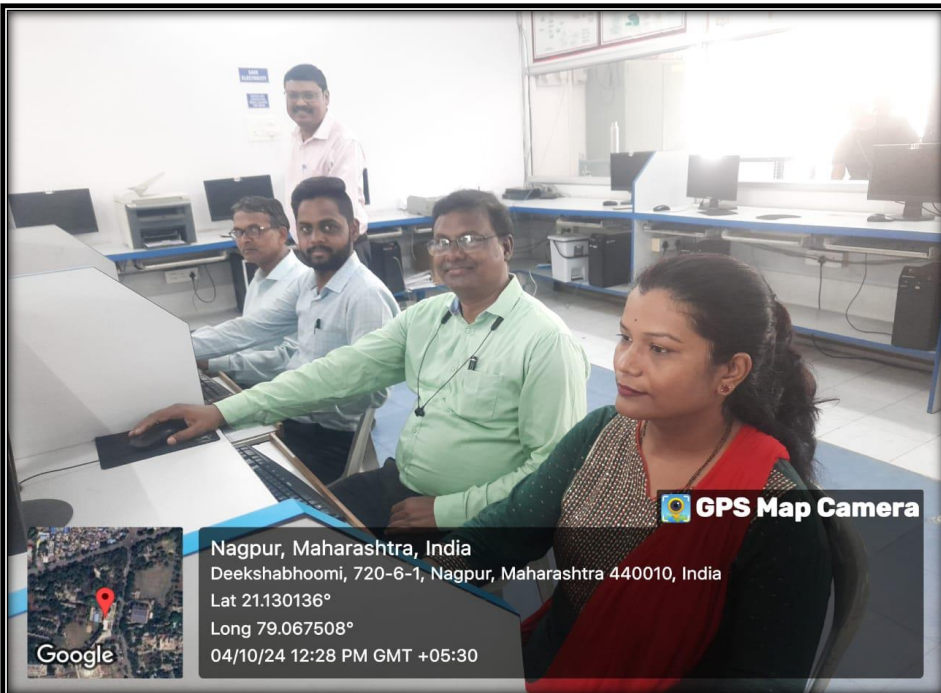

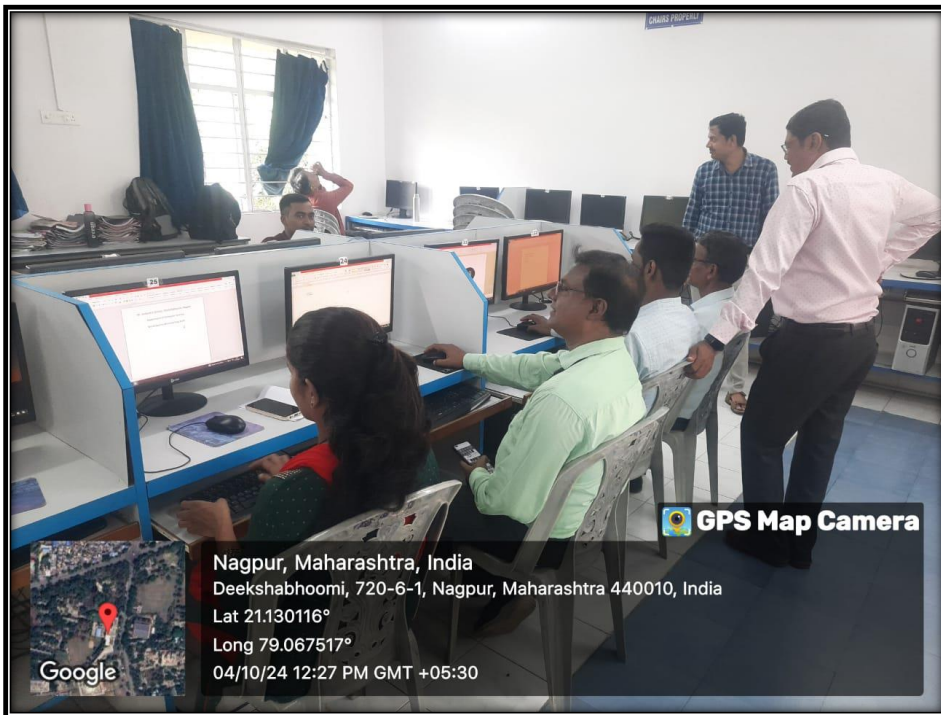

Department of Physics

Report of Workshop for Non- Teaching for Skill Development (E-Awareness Workshop)

A workshop for skill development of non-teaching staff, 'E-Awareness' was conducted by the Department of Physics on 04th October 2024. The workshop was conducted in Department of Computer Science, Dr. Ambedkar College, Deekshabhoomi, and Nagpur. All non-teaching staff members were present on this occasion. The aim of the workshop was to make all the technical staff of the department aware of basic computer operations. They are required to make computerized data entry of the stock. Also, at times they have to make reports or feed data on the Excel sheet. Keeping that in mind, they were given training about basics of computer operations, how to use MS-Word and MS-Excel, Google forms etc. The non-teaching staff were also given basic knowledge about the data entry, data management both on MS-Word and MS-Excel. They were given practice for both and they were also taught effective data management.

With this training they can perform simple tasks as entry of marks, typing and printing of notices, managing data of attendance, helping to enter and manage data for NAAC files, sending and configuring email and many more such tasks related to computers.

The training for this workshop was delivered by Head of the Department of Computer Science Dr Pankaj Nimbalkar and Mr. Sujay Paldhikar. He personally imparted training to the non-teaching staff members, teaching them MS-Word, MS-Excel and other computer operations. Head of the Department of Physics Dr. (Mrs) Aarti N. Wazalwar coordinated the entire activity.

Feedback

4) What do you learn from the workshop?2 responses

Repairs and maintenance of laboratory instruments

Gained new ideas and processes. Learned knowledge and passed knowledge to others.

5) Do you feel such training programs are important for your development? Why?2 responses

Yes. Our knowledge get updated in every training program.

Yes, Training programs are critical to health development and success

6) What other workshops /training programs do you want the department to organise for you?2 responses

Computer courses

departmental apparatus workshop and apparatus maintenance process and apparatus repairing

7) Your suggestions to organise such training programs.2 responses

Hire the experts

Such training programs should be organized as it helps to increase your knowledge
