Report on Organ Donation Awareness Program

Lifeline Services Cell

Date: 5th August 2024

Venue: Mini Auditorium, Dr. Ambedkar College, Deekshabhoomi, Nagpur.

The Lifeline Services Cell of Dr. Ambedkar College, Deekshabhoomi, Nagpur, in collaboration with the Indian Medical Association (IMA), Nagpur, successfully conducted an **Organ Donation Awareness Program** on 5th August 2024. The program aimed to create awareness about the significance of organ donation and to motivate individuals to contribute towards saving lives through this noble cause.

Program Details

The event was coordinated under the able guidance of **Dr. Jitesh Tripathi**, Head of the Mathematics Department and the Coordinator of the Lifeline Services Cell.

The program commenced with a warm welcome address delivered by **Dr. (Mrs.) B.A. Mehere**, Principal of Dr. Ambedkar College, Deekshabhoomi, Nagpur, who highlighted the importance of organ donation as an act of altruism and humanity.

The guest speaker for the event was **Dr. Sameer Jahagirdar**, a renowned plastic surgeon and the Vice-President and Convenor of the Indian Medical Association, Nagpur. Dr. Jahagirdar delivered an inspiring and informative lecture on the medical, legal, and ethical aspects of organ donation. He emphasized the pressing need for raising awareness and dispelling myths surrounding organ donation in society.

Highlights of the Event

1. Awareness Session:

Dr. Jahagirdar provided valuable insights into the process of organ donation, the role of donors, and the life-saving impact it has on recipients. He also discussed the advancements in medical technology that have made organ transplantation safer and more accessible.

2. Interactive Q&A Session:

The participants actively engaged in a Q&A session, where they received clarifications on their doubts regarding organ donation eligibility, the consent process, and post-donation care.

Conclusion

The program concluded with a vote of thanks proposed by **Dr. Jitesh Tripathi**, who expressed gratitude to the guest speaker, the Principal, the organizing team, and the participants for their enthusiastic involvement. He reiterated the commitment of the Lifeline Services Cell to continue organizing such impactful initiatives in the future.

The event was well-attended by students, faculty, and members of the public, making it a resounding success in spreading awareness about organ donation and inspiring many to take meaningful action.
