The Department of Chemistry organized an orientation program on the topic “*E-learning Platform*” Under the Aegis of American Chemical Society International Student Chapter. The session included a lecture on **SWAYAM-NPTEL Courses**, delivered by **Dr. Amit R. Bansod**, an Assistant Professor in the **Department of Physics at Dr. Ambedkar College, Deekshabhoomi, Nagpur**. The lecture highlighted the benefits and opportunities provided by SWAYAM-NPTEL, focusing on its role in enhancing digital learning and accessibility for students and professionals. The program was conducted under the guidance of Dr. Mrs. Deepa Panhekar, Head Department of Chemistry and Program Co-ordinator Dr. R. C. Sawant, Assistant Professor Department of Chemistry at Dr. Ambedkar College, Deekshabhoomi, Nagpur. The purpose of lecture on E-learning platform was to create a digital space where learners can easily access educational content, participate in interactive activities, and gain knowledge and skills at their own pace.

These platforms are designed to make learning more convenient, engaging, and effective for everyone.

Key Purposes:

1. **Access to Education:** Make learning available to everyone, anywhere in the world.
2. **Flexible Learning:** Let learner’s study anytime, anywhere, and at their own speed.
3. **Cost-Effective:** Save money compared to traditional education methods.
4. **Diverse Resources:** Provide diverse formats such as videos, quizzes, interactive simulations, eBooks, and forums to cater to different learning preferences.

By addressing these objectives, e-learning platforms aim to democratize education, improve learner outcomes, and adapt to the diverse needs of a global audience.
