

DR. AMBEDKAR COLLEGE, DEEKSHABHOOMI NAGPUR

DEPARTMENT OF CHEMISTRY

ORIENTATION OF M.SC. SEM I CHEMISTRY

The orientation session aimed to guide students about their academic journey and the resources available at the college. Key highlights of the session included:

- 1. Welcome and Faculty Introduction:**
 - Students were warmly welcomed and introduced to the faculty members.
- 2. Academic Guidance:**
 - Information on **theory and practical courses** was provided, along with the importance of regularity in both.
 - Emphasis on maintaining consistency in studies and the significance of regular preparation.
 - Study tips were shared to help students manage their learning effectively.
- 3. Career Opportunities:**
 - An overview of various career paths available after pursuing **M.Sc. in Chemistry** was discussed.
- 4. Laboratory Safety Rules:**
 - Detailed guidelines on safety measures to follow while working in the laboratory were shared.
- 5. Campus Facilities:**
 - Students were informed about the **Main Library** and **Core Library** facilities.
 - Details about the **canteen** and other amenities were also covered.
- 6. College Discipline:**
 - The importance of adhering to college rules and maintaining discipline on campus was emphasized.

This session provided a comprehensive overview to help students adapt to their new academic environment and make the most of the opportunities available.
