### Report on Alumni Donation of Computers by alumnae

DATE: 14-12-2024

A formal ceremony of donating computer machines was held on 14-12-2024. The event was graced by a alumnae of the department from the old batches from 2004. They showcased their commitment to giving back to their alma mater by generously donating five computer systems to the Department of English. This significant contribution marks a milestone in fostering academic growth and modernizing resources for students and faculty members. The event was graced by the presence of the Principal, faculty members, alumni representatives and current students. The donation was made possible through the collaborative efforts of a group of distinguished alumni who have excelled in various fields and continue to stay connected with the institution.

Dr. Shailesh Bahadure, in his address, expressed his gratitude to the alumni for their valuable contribution, emphasizing how these computers will enhance digital learning, research and teaching methodologies. The Principal appreciated the alumni's initiative and highlighted the importance of such acts of generosity in strengthening the bond between the institution and its former students. The donated computer systems are installed in the language laboratory providing students with access to technology that supports advanced learning tools, research databases, and creative projects. This upgrade aligns with the department's vision of blending traditional learning with modern technological advancements.

The alumni shared their motivation for the donation, stating that their success is rooted in the education and values imparted by the college. They expressed a desire to support the future generation of students and contribute to the legacy of the institution.

The event concluded with a vote of thanks, reaffirming the college's commitment to fostering alumni relations and enhancing educational infrastructure.
