Department of Computer Science

NOTICE

Date: 10/10/2024

All students are hereby informed that the Department of Computer Science is organizing "Experiential Learning program" on October 17th, 2024, at 11:00 am. All must remain present

Dr. P. V. Nimbalkar

Program Coordinator

On October 17, 2024, a session was held at Dr. Ambedkar College in Nagpur on three different programs carried out by HCL-HHHF. Mr. Sumit Dhanore addressed to children on the importance of employment and introduced the Make India Capable Program, which is powered by HCL and the Head Held High Foundation and provides students with free soft skills training and placement support. Miss Vaishnavi also introduced them to UNICEF's

Passport 2 Earning Certification Program, in which students joined and received certification. These certifications will help them develop 21st-century abilities. Finally, Miss Pallavi explained Social Security Schemes and Benefits and assisted them in registering for the Ayushman Bharat Card, which 15 students successfully obtained.

Key Topics Covered: The session primarily focused on Make India Capable (MIC) Program, UNICEF's Passport 2 Earning Certification and Social Security Schemes (SSS). Key topics discussed included:

1. **Make India Capable:** The students were introduced to MIC program, which focuses on soft skills training, Digital Literacy, Social Security Schemes, Placement Support at free of cost.
2. **UNICEF's P2E:** The students were introduced and enrolled with the 3 different certifications on UNICEF's Platform. The need of 21st century skills and benefits of having these certifications were explained.
3. **Social Security Scheme:** The students were introduced and availed with Ayushman Bharat card and given knowledge on its benefits. Students will also apply for their parent's ABHA card.

Glimpse of the Session:

Factory representatives while addressing students Make India Capable, Passport 2 Earning, and social security schemes
