

The Co-ordinator of the Anti-ragging Cell, Dr. S.P Kalamdhad addressed the meeting. The following cell members were present in the meeting in which the following agenda was discussed.

1. The coordinator welcomed all the present members and students' representatives of the cell for the meeting.
2. In this meeting, as decided in the previous session, Buddy system was planned to be executed.
3. It was discussed with the members and the student representatives, how the senior students of the law Department will educate the newly admitted students about anti-ragging practices in institution.
4. An awareness program through Buddy system was accordingly planned in which the member of cell suggested to aware the students through skits exhibiting different instances of ragging.
5. Thus the program was planned to be conducted on 25th September 2024 .
6. Accordingly, notice was prepared and circulated among the newly admitted students.
