Report:

The Department of Mathematics at Dr. Ambedkar College, Deekshabhoomi, Nagpur, conducted a mentoring activity on 2nd June 2023 for students of Semester 3 and Semester 5 and on 24th April 2024 for Sem 2, 4 and 6 students. The activity aimed to provide guidance and support to the students and help them achieve their academic goals.

The activity was conducted by Prof. S. M. Pawar, Head of the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, and Dr. Jitesh Tripathi, Assistant Professor, Department of Mathematics. The faculty members had organized the mentoring activity as part of their efforts to help the students of the department overcome their academic challenges and enhance their learning outcomes.

During the activity, the faculty members provided guidance and advice to the students on various academic matters, such as study strategies, exam preparation, time management, and career guidance. They also answered the queries raised by the students and provided feedback on their academic performance. The faculty members also emphasized the importance of regular attendance, participation in class activities, and self-study.

The activity was well received by the students, who found it to be beneficial and insightful. They appreciated the efforts made by the faculty members and expressed their gratitude towards the department for organizing the mentoring activity.

The mentoring activity conducted by the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, on 23rd January 2023, was a successful initiative aimed at helping the students overcome their academic challenges and enhance their learning outcomes. The faculty members' guidance and advice will undoubtedly benefit the students and help them achieve their academic goals. It is hoped that such mentoring activities will continue to be organized in the future to support and guide the students towards their academic success.
