#### **Report**

On February 12th, 2025, the Department of Computer Science successfully hosted the Soft Skill Development Program on Data Analysis Using Python on the occasion of Internet Safer Day. The event was graced by the presence of eminent resource persons, Mr. Vaibhav Dhone, Ms. Dhanashree Upadhayaye, Mr. Navaidh Khan, along with HoD and the esteemed faculty members, and students.

The program commenced with a welcome speech by Ms. Rakhi Gupta, who extended a heartfelt welcome to all the dignitaries, faculty members, and students. The event began with the presentation of saplings to our the distinguished guests, reflecting the institution's commitment to nurturing growth and talent.

The introductory speech on the vision of the Computer Science Department and the rationale behind the soft skill development program on data analysis using python was delivered by committee vice president.

The Program ended with vote of thanks proposed by Aarya Chaure.

#### **Guest Introduction:**

- Mr. Vaibhav Dhone, Branch Manager of SEED infotech ltd Nagpur. He
  has conducted training for various organizations and is committed to the
  education and empowerment of students and professionals through
  career-oriented training.
- Ms. Dhanashree Upadhayaye, currently working at SEED infotech and has also been a part of Presidenct Digital India pvt ltd. Her expertise in bridging theoretical knowledge with practical skills was highlighted.
- **Mr Navaidh Khan,** holds a Master degree in Computer Science and Engineering and currently working at SEED infotech ltd. His expertise in theoretical knowledge with practical skills was highlighted.

#### **Objective:**

The program aimed to equip students with foundational skills in data analysis using Python, while also emphasizing the importance of soft skills like communication, teamwork, and critical thinking in technical problem-solving.

#### **Inaugural Address:**

Ms. Dhanashree Upadhayae delivered an insightful address, with a brief overview of the field of data analysis and its significance in various industries today and the importance of Python in data science was emphasized, highlighting its versatility and the vast ecosystem of libraries. She encouraged students to actively participate in such programs to stay competitive in the job market.

Following her address, Mr. Navaidh Khan, presented the basics of DBMS and SQL/PLSQL. Before diving into the technical aspects, the session included a discussion on soft skills like effective communication, collaboration, and critical thinking, which are essential for success in data-driven roles. Tips were shared on how to approach data-related challenges, including seeking help when necessary and collaborating effectively in teams.

#### **Outcomes:**

- Students learned how to use Python libraries for data manipulation and visualization.
- Enhanced understanding of the importance of soft skills in data analysis projects.
- Positive student engagement and interest in further exploring data analysis tools.

**Conclusion**: The program successfully blended technical knowledge and soft skills, providing students with a solid foundation in data analysis using Python. Further workshops are recommended for deeper exploration of advanced techniques.
