REPORT OF MENTORING ACTIVITY

SESSION: 2023-24

Mentoring to various students admitted to the courses of Arts, Commerce and Science is a routine activity of Department of English. In the beginning of the session, following admission process students are divided to teachers for mentoring sessions. There are four permanent faculty members and equal number of CHB teachers who undertake the activity of mentoring of students. The mentees are given a schedule to appear for interaction with teachers and a proper record is maintained of all the interactions. The first interaction generally occurs in the mid of first semester and the second interaction occur in the mid of even semesters. For the session 2023-24 teachers undertook mentoring activity as per the list provided to them or sometimes there is a choice of students according to their convenience and sharing of list is allowed with the teachers so as to maintain a better level of compatibility with the individuals. The interaction takes place with a consideration towards scholastic guidance, psychological guidance, Development of personality and other issues which are of social concern with the students. There are issues of lack of focus on studies and disturbance sometimes from the family or surroundings; also this is taken into consideration by the teachers as mentors and necessary guidance and suggestions in the form of advice such as a changed lifestyle, or participation in social activities. They are also asked to follow the suggestions at least in its partial manner so that a visible change can be noted down till the next interaction. It so happened that a few students report about change while a few still maintain a level of change with the changing times. Sometimes issues of improving communication and participation in departmental activities boosts their level of confidence as they get to exhibit their latent talent in the form of appreciation and winning some competitions.

Following teachers were mentors for the session 2023-24:

Dr Shailesh Bahadure, Mr Manoj Andraskar, Mr Ankit Banpurkar, Mr Dilip Rathod, Miss Swati Deokar and Mr Sandesh Sahare.
