Parent-Teacher Meeting Report

Date: 26-10-2024

NUMBER OF PARTICIPANTS: 83

Parent-teacher meetings play an integral role in a student educational journey, contributing to their academic success, personal growth, and overall well-being. Parents and educators work together to ensure that every student has the guidance and materials they require to develop academically, socially, and emotionally.

In view of above a parent-teacher meeting was conducted today on 26-10-2024 for the parents and students from the Science faculty. The event aimed to build an educational climate, identifying, and addressing challenges, to strengthen the communication between the college and families, fostering home-College collaboration, helping parents understand their children's academic progress and address any concerns related to the dynamic and inclusive teaching-learning educational ecosystem.

The meeting commenced with a welcome speech by the Principal, **Dr. Mrs. B. A. Mehre** who highlighted the institutional commitment to academic excellence and the holistic development of students. Faculty members from both Sciences departments provided detailed reports on students' performance, attendance, and areas of improvement, emphasizing the importance of regular attendance and active participation in classes.

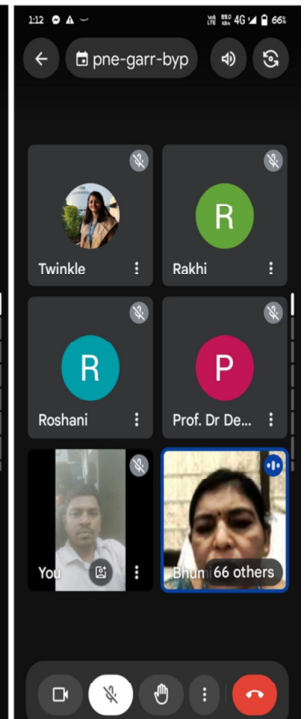

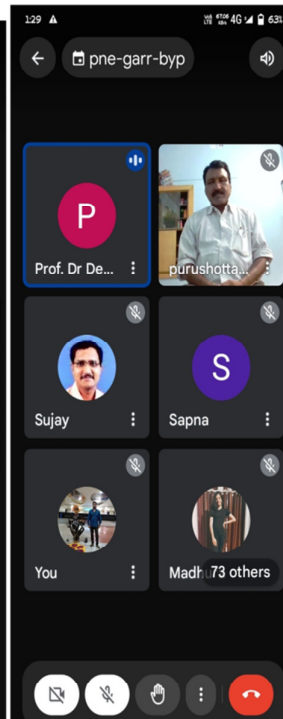

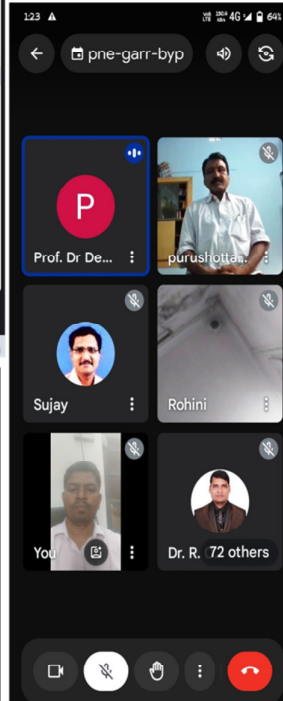

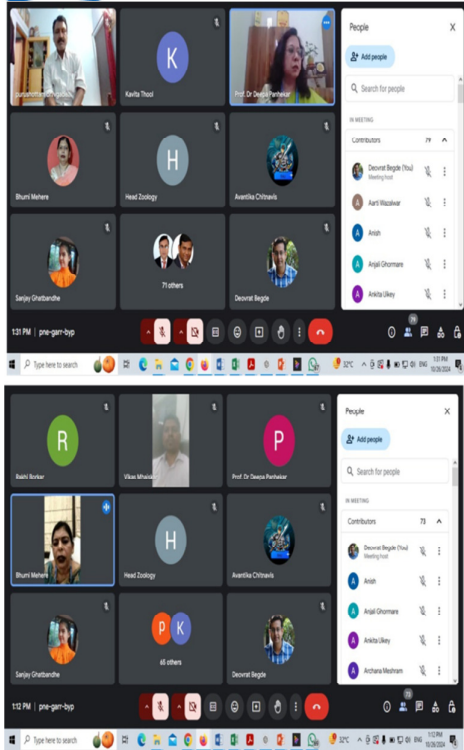

Dr. Mrs. Deepa Panhekar, Vice Principal of Science faculty presented her views on requirements on the part of students regarding academic challenges due with the National Education Policy-2020 and skill based courses and activities.

Parents actively participated, asking questions about the curriculum, teaching methods, reading rooms, library, and other available resources. Faculty members assured them of continuous efforts to provide quality education through updated teaching methods, interactive sessions and extra-curricular opportunities. Positive feedback was received regarding the dedication of teachers and the comprehensive support systems available for students' academic and personal growth. Parents expressed satisfaction with the institutional focus on inclusive education and its efforts to adapt to students' diverse learning needs. A few parents shared their appreciation for the transparent communication and the improvement they have seen in their children's academic performance and confidence. Teachers encouraged parents to provide support at home and monitor their children's study habits.

The meeting concluded with a mutual commitment to maintaining open lines of communication and working together to support students' academic journeys. The college expressed gratitude to parents for their trust and collaboration in nurturing the students' growth. PTA Coordinator **Dr. S. R. Somkuwar** shared his views on importance of the PTA association.
