Glimpses of student class seminars.....

Objectives:

- 1) To introduce the topic and demonstrate knowledge
- 2) Effective time management skills
- 3) Enhance study skills, such as note taking, learning, memory, and critical thinking etc.
- 4) To apply effective communication skills to promote academic and personal success.

Department of Botany Dr. Ambedkar College Deekshabhoomi, Nagpur has conducted Students' Seminar for B.Sc. Sem I students on different topics under the guidance of Dr. S. R. Somkuwar, Asso. Prof. and Head Dept. of Botany. The students explained topics very well in an interesting way using chalk and talk/ power point methods. Presenting students faced the questions on topics asked by the colleagues and the faculties of the Department.
