

MENTORING REPORT (2024-25)

The mentoring program for BCA Semester-I students at Dr. Ambedkar College, Deekshabhoomi, Nagpur, was conducted between 3rd and 4th week of December 2024. The objective of this initiative was to provide academic guidance, personal counseling, and career orientation to students. Each faculty member was assigned **20 to 25 students** for personalized mentoring sessions.

Faculty Mentors and Student Allocation

The following faculty members participated in the mentoring program:

1. **Dr. Prashant Yende**
2. **Dr. Harshala Pethe**
3. **Priyanka Soitkar**
4. **Shama Khan**
5. **Vaibhav Bhagwat**
6. **Javed Shah**
7. **Supriya Rande**

Each mentor was responsible for addressing students' academic progress, personal challenges, and career aspirations.

Objectives of Mentoring

- To help students adapt to college life and academic requirements.
- To provide career guidance and clarify subject-related doubts.
- To identify and address students' academic and personal challenges.
- To encourage participation in co-curricular and extracurricular activities.
- To enhance students' confidence, communication skills, and professional outlook.

Mentoring Activities

The mentoring sessions were conducted in both individual and group formats. The key activities included:

- **Academic Guidance:** Students received assistance in understanding core subjects, time management, and study techniques.
- **Career Counseling:** Discussions on career opportunities in IT, higher education, and industry trends were conducted.
- **Personal Development:** Mentors guided students on self-discipline, stress management, and confidence building.

- **Skill Enhancement:** Importance of technical skills, certifications, and coding practices was highlighted.
- **Student Concerns:** Issues related to attendance, assignments, and examinations were addressed.

Observations & Student Feedback

- Students actively participated and expressed their concerns freely.
- Many students sought guidance on improving technical skills and industry readiness.
- Some students required additional motivation and support for academic improvement.
- The mentoring program helped create a strong bond between students and faculty.

The mentoring program successfully provided students with academic and career guidance, helping them build confidence and focus on their professional growth. The initiative strengthened the mentor-mentee relationship, creating a supportive learning environment. Future mentoring sessions will continue to enhance student engagement and overall development.

GLIMPSES OF MENTORTING PROCESS

Name of Mentor : Dr. Harshala Pethe

Name of Mentor : Mrs. Shama Khan
