Report

Seminar on “Exploring Diverse Career Paths in Science- Navigating Competitive Examinations”

Organized By: Department of Chemistry, Competitive Examination Guidance Centre (CEGC) and Employment and Career Guidance Cell (ECGC), Dr. Ambedkar College, Nagpur.

Resource Person: Mr. Lalji Kannoujia, IFAS, Pune

Date: Saturday, 18th January 2025

Venue: Dadasaheb Kumbhare Hall (Main Auditorium), Dr. Ambedkar College, Deekshabhoomi, Nagpur

Department of Chemistry, Competitive Examination Guidance Centre (CEGC) and Employment and Career Guidance Cell (ECGC), Dr. Ambedkar College, Deekshabhoomi, Nagpur, in association with Institute for Advanced Studies (IFAS), Pune, organized a Seminar on “Exploring Diverse Career Paths in Science-Navigating Competitive Examinations” for UG and PG students on Saturday, 18th January 2025 for promoting and motivating UG & PG students of college regarding Preparation of various competitive examination which can make them proficient in building their career in various academic and professional sectors.

The resource person for this career program was Mr. Lalji Kannoujia, who is working as a prominent faculty in one of the best coaching institute “Institute for Advanced Studies (IFAS), Pune”, who explained importance of various competitive examination for the growth and success of future career of UG & PG students. Mr. Lalji Kannoujia started his lecture session by discussing various important parameters of such competitive examinations, which include syllabus discussion, discussion on previous year question papers of NET, SET, GATE Exams, nature of aptitude test, and planning for preparing for such exams along with strategies to qualify these examinations within short span of time, with limited resources and reference books, with many mnemonics, short tricks.

Program was started with the introductory remarks of Dr. N. G. Telkapalliwar, Co-Ordinator, CEGC Cell, DACN, who elaborated the aim and objective of CEGC Cell towards career guidance and professional development of UG & PG Students for many National and State level competitive examinations.

This career counselling Program was actively attended by approximately **150 students** of UG & PG Students of science stream. UG & PG Students involved themselves actively in the interactive question-answer session. Session was compeered by Ms. Karuna Shahani, Assistant Professor from Department of Chemistry. All the faculties from chemistry department, CEGC and ECGC Members present during the seminar. Mr. Chaitanya Gaddekar proposed a vote of thanks in appreciation of guest lecture delivered by Mr. Lalji Kannoujia.

ECGC Coordinator Dr. DVNS Suresh, Dr. D. M. Borikar, Dr. Pravin Deharkar, Dr. Twinkle Wankhade and Ms. Karuna Shahani attended this program actively with their positive inputs towards success of this program.
