

## REPORT

### Students Visit to Samrat Asoka Botanical Garden, DACN

Students of B.Sc Semester I (NEP) of Department of Botany, Dr. Ambedkar College, Deekshabhoomi, Nagpur have visited to **Samrat Asoka Botanical Garden, Dr. Ambedkar College, Deekshabhoomi, Nagpur** on 23<sup>rd</sup> October 2024.

Visiting botanical gardens is important for conservation, research, education and recreation, offering insights into plant diversity, local flora and the interconnectedness of ecosystems. Botanical gardens play a vital role in conserving plant species outside their natural habitats, acting as "living libraries" of plant diversity. It is excellent "outdoor laboratories" for studying plant taxonomy, morphology. It raises awareness about environmental issues, such as climate change and habitat loss, and promotes sustainable practices. Also provide opportunities for people to connect with nature and appreciate the beauty & importance of plants.

**Dr. Rahul B. Kamble**, Co-ordinator, Garden Cell, Dr. Ambedkar College, Deekshabhoomi Nagpur have explained about the Medicinal and Aromatic plants, Cactus corner, Rare, Endangered and Threatened taxa, Hydrophytes, Xerophytes available the Phytoid unit as Waste water recycling unit, Compost pit, Vermi composting unit and Groundwater recharge pit of Samrat Asoka Botanical Garden.

All the students of BSc Semester 1 have visited the Samrat Asoka Botanical Garden enthusiastically and interacted positively.
