

**DR. AMBEDKAR COLLEGE, DEEKSHABHOOMI, NAGPUR**

**DEPARTMENT OF ENGLISH**

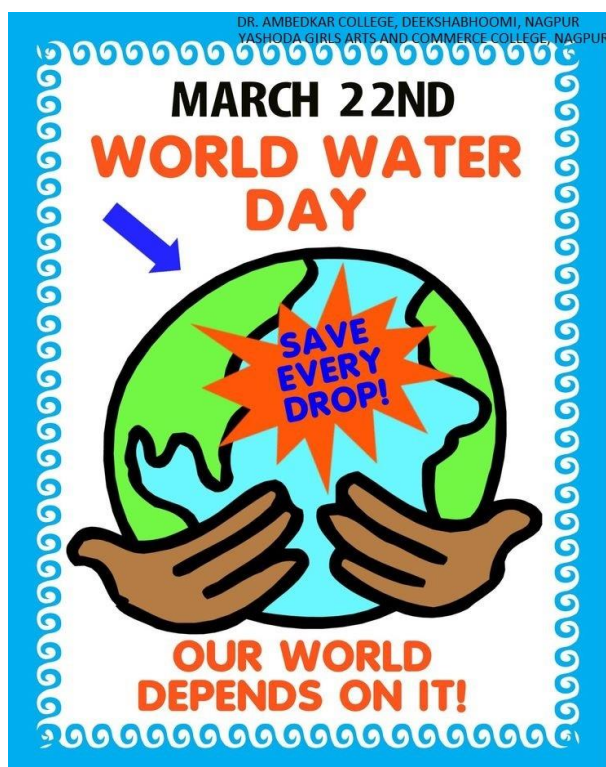

**ACTIVITY UNDER MOU with**

**YASHODA GIRLS ARTS AND COMMERCE COLLEGE, NAGPUR**

**SLOGAN WRITING COMPETITION**

**DATE: MARCH 22, 2025**

**NUMBER OF PARTICIPANTS: 89**

To mark the occasion of *World Water Day*, a joint activity on SLOGAN WRITING COMPETITION on the occasion of WORLD WATER DAY was organised by the college in association with Yashoda Girls Arts and Commerce College, Nagpur. This activity was conducted under MoU.

The activity aimed to spread awareness about water conservation, sustainable use of water resources, and the global water crisis.

A total of **88 students** from various faculties enthusiastically participated, showcasing their creativity and commitment to this crucial environmental issue. The students composed impactful slogans in

**English, Hindi, and Marathi**, emphasizing themes such as saving water, preventing pollution, and ensuring water security for future generations.

Some of the noteworthy slogans included:

- “Jal hai to kal hai” (Water is life’s future)
- “Save water, secure the future”
- “हर बूँद कीमती है, इसे व्यर्थ ना करें” (Every drop is precious, do not waste it)

The competition not only encouraged students to think critically about water conservation but also fostered a sense of responsibility towards environmental sustainability. The best slogans were appreciated and

displayed on the college notice board and digital platforms to enhance awareness among the college community.

The event successfully highlighted the significance of **World Water Day** and encouraged students to adopt and promote water-saving practices. This initiative was a small but meaningful step toward creating a water-conscious society, aligning with global efforts to address water scarcity and climate change.

The activity was appreciated by Dr. Sharad Sambare Principal, Yashoda Girls Arts and Commerce College, Nagpur and Dr. Mrs. D. Y. Panhekar, Principal, Dr. Ambedkar College, Deekshabhoomi, Nagpur.

Dr. Amol Raut and Dr. Shailesh Bahadure coordinated the activity from both the institutions.
