

**Dr. Ambedkar College Deekshabhoomi Nagpur**  
**Department of Political Science**  
**Mentoring Report**  
**2024-25**

**Date- 17/01/2025**

**Attendance:**

1. Tanmay Vaidya (Visually Impaired) - Semester 2
2. Savita Satish Vaidya - Mother

The Department of Political Science provides regular mentoring facilities to ensure continuous learning for students. In light of the COVID-19 pandemic, maintaining uninterrupted education has become crucial. Therefore, the department ensures individual attention for each student. This facility aims to track students' learning progress by assessing their access to digital resources.

Understanding the principle "**My Students, My Responsibility,**" the department strives to provide mentoring support to both students and parents.

On **January 17, 2025**, a first-year B.A. student, **Tanmay Vaidya (visually impaired)**, and his parent were invited for an interactive session. The discussion aimed to understand Tanmay's **physical and mental well-being**. Through mentoring, he was informed about various learning resources, including:

1. **Gyanganga Educational Programs** on television
2. **Subject-specific lectures** available on YouTube channels
3. **Google Classroom** initiated by the department
4. **Online counseling and Mahacareer portal**
5. Information on **1,200 types of scholarships across 16 countries**
6. **Cybersecurity and online safety** for students and teachers
7. **College grievance redressal facility**
8. Free **online courses on DIKSHA and SWAYAM platforms** for academic enrichment
9. **Library facilities** available both on and off campus for visually impaired students

Tanmay was informed about all these resources to support his education and learning journey.
