

Dr. Ambedkar College, Deekshabhoomi ,Nagpur.

Department of Biochemistry & Biotechnology

Topic: “Alumni Meeting and Alumni Achiever Facilitation 23-24”

Date: 28th March 2024

Report

The Department of Biochemistry and Biotechnology, in collaboration with the Department of Botany and Zoology, Dr. Ambedkar College, Deekshabhoomi, Nagpur, organized an alumni meeting for its past students. The meeting was held on March 28th, 2024, at 12:00 Noon, based on the availability of the maximum alumni members according to their votes on the alumni WhatsApp group. More than 58 members attended the meeting. The program was chaired by the Principal of the college, Dr. Mrs. Bhuvaneshwari Mehere, along with the Vice-Principle of Science Faculty Dr. Mrs. Deepa Panhekar and coordinated by Dr. Utpal Dongre (HOD), while the organizing responsibilities were overseen by Dr. D. N. Begde and all teaching and non-teaching staff members of the department. Dr. Amit Bafna, Principle Scientist CSIR-NEERI was the guest of honor for the Alumni Facilitation event.

Agenda of the Alumni Meeting:

- Formation of departmental alumni association
- Course of work and vision for the formation of such an association
- Alumni inputs for improvements in the department/college
- Student-Alumni interaction for student motivation and discussion on future avenues

- Alumni suggestions on the development of new syllabi of courses more relevant for the future
- Alumni success stories for student motivation

A warm welcome was extended to all alumni members by offering flowers and a small token of appreciation. The meeting included discussions on the formation of the alumni association of the department, development, and the progression of the subjects and the department. Most of the alumni members voiced their consent on executing all the points detailed in the agenda of the meeting. Current students also had the opportunity to interact with highly placed alumni members to understand the course of their career progression and to seek advice regarding future career planning.

Also, suggestions were sought from the alumni to improve the career opportunities of our present students. Mr. Pradip Hirapure expressed the formal vote of thanks on behalf of the the organizing department.

By the end of the meeting Following members were present:

Alumni Meet 2022

Feedback Form

Name: Nisha Dedare Mohad

Batch: 2016

Subject: Biochemistry.

How you came to know about the programme: Through my colleagues and initiation from college. (online)

How you can help in the uplifting of the department.

By informing about vacancy and by conducting certain workshops and training for students.

What you will suggest students about the placements

I will suggest that for placements students should start preparing for entrance during their studies and should have complete practical & theoretical knowledge of their particular subject.

How much you will rate this programme on the scale of 10.

9

What changes did you notice in the department:

There were many changes from well qualified and experienced teaching staff, modified laboratories, NO. of books and instruments

Any suggestions
