REPORT:

The Commerce Department organized a debate competition for B.Com 1st Year students on 20th February 2025. The topic for the debate, "Will AI Create More Jobs Than It Destroys?", addressed a contemporary and significant issue.

The debate competition was organized as an intellectual forum for college students to engage in meaningful discussions on the potential impact of artificial intelligence (AI) on the workforce. The selected topic, "Will AI Create More Jobs Than It Destroys?" presented an opportunity to explore a crucial question in the modern technological landscape. The event aimed to encourage critical thinking, public speaking, and informed arguments among participants.

After a thorough assessment, the judges selected three winners from each group.

A total of 78 students enthusiastically participated in the competition, showcasing their critical thinking and public speaking skills. The participants presented well-reasoned arguments both for and against the motion, leading to a lively and engaging discussion.

Winners:
