STUDENTS 10 responses (Sem 01)

REPORT Students who have been admitted in first semester are called upon for an small interaction program in the Zoology department at 10.30 am. All the departmental teaching and non teaching staff could not be present at the same time so a presentation was prepared for letting the students know about the faculty and the department to be introduced to the newly admitted students in the zoology laboratory. Dr B A Mehre presided the program and addressed the freshers Dr DVNS Suresh later with the help of a brief presentation demonstrated about the infrastructural and functional aspects about the department. The syllabus; the pattern of course and the examination pattern were presented before them by him. He then made the students feel easy with subject and faculty by some of the interesting facts of zoology. Dr A A Mehram also spoke about the daily routine of the department. Ms A K Zade conducted the program and Mr O N Bhojar presented the vote of thanks

OUTCOME To welcome the students
To acquaint with department and the teaching & non-teaching staff
