The Department of Biochemistry and Biotechnology organized an online lecture on the topic "Career Opportunities in Pathology Lab" on 11th March 2025. The session aimed to educate students about "PHLEBOTOMIST" the course of pathology and clinical biochemistry. The lecture was attended by B.Sc. life science students interested in exploring career opportunities in pathology labs.

The session was led by Mr. Rounak Gedam, a manager of LPL Academy for Laboratory Medicine, Nagpur expert in the field of pathology & clinical laboratory sciences. The speaker provided all the details about PHLEBOTOMIST course and opportunities after completion of course. At the end of lecture, students were clarified their doubts regarding the course and career opportunities.

The online lecture was informative and beneficial for students aspiring to build a career in pathology labs. The Department of Biochemistry successfully provided a platform to students for the interaction with pathology expert. The event concluded with a vote of thanks by Dr. Bharat A. Kharat, appreciating the speaker and attendees for their participation.
