Entrepreneurship Development Cell of Dr. Ambedkar College Deekshabhoomi, Nagpur had organized a **Workshop on “Various Indoor water fountain”** at **05.04.2025 at 09.00a.m.** in the Room No. 107.

At first Dr. D. H. Puttewar (Coordinator of ED Cell) said that the Entrepreneurship Development Cell of our college aims at the overall development of students. With this deliberate aim, several activities are organized to acquaint the students and one such activity is to develop in students the creative arts which will help them to develop the artistic quality apart from studies. It is one of the essential qualities that must exist in every student. She explained the procedure and demonstration on various Indoor Fountain, Marketing and Knowledge on waste Management.

Dr. Puttewar explained the procedure of various Indoor Fountain from home waste material as following.....

- At first to take empty bowl, empty waste container, waste drainage pipe, plastic flowers, waste thermocol, color stone, etc
- Then arrange properly, like a fountain.
- And lastly assembled a fountain with a water motor.

The session was organized by Dr. D. H. Puttewar, (Co-ordinator of ED Cell). All the students enthusiastically participated in the programme and enjoyed the session. Dr. Dasharath Wasnik, Assi. Prof. Ankit Pusadkar and Assi. Prof. Purvesh Fating eagerly came to watch the program to see how water fountains are made.

All the students responded enthusiastically to the program, taking notes on how different types of fountains are made.

They gave feedback saying they would like to create fountains using waste materials.

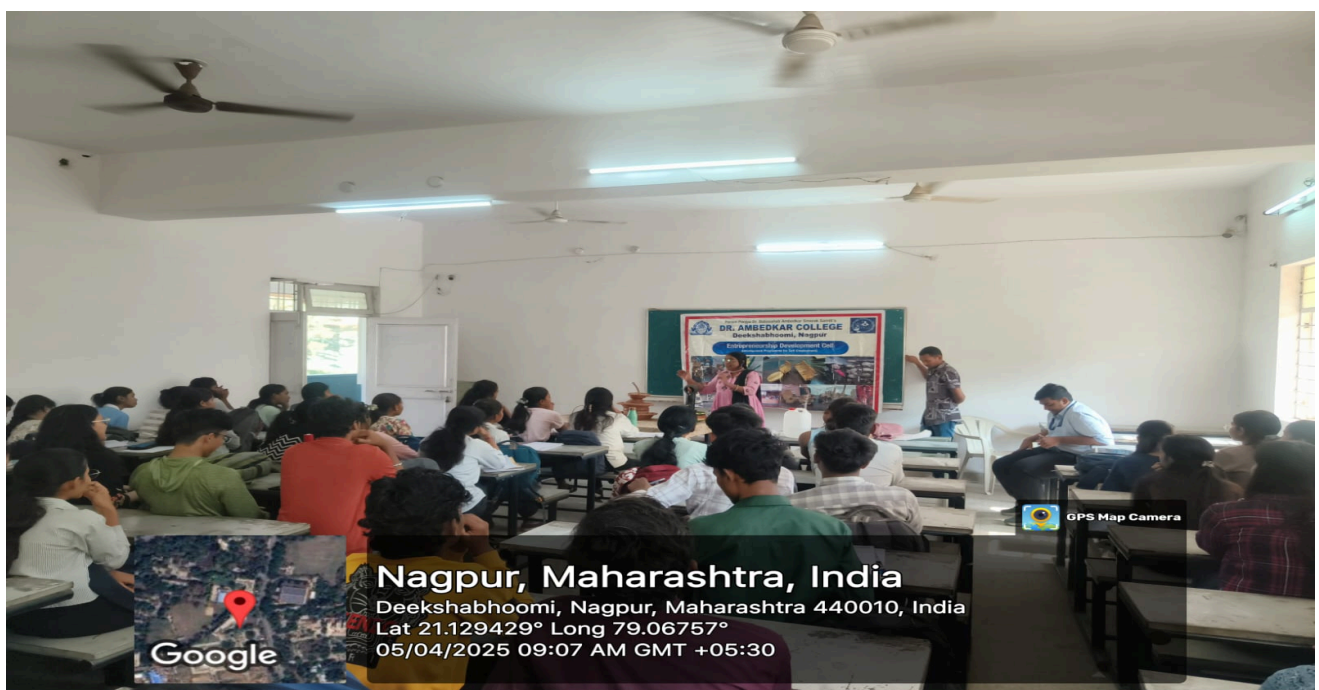

Total 136 Students was presented. Different questions were also asked by the students which were very well answered by Dr. D. H. Puttewar.
