#### About the program:

The 'Deeksharambh' program, initiated by the University Grants Commission (UGC), is a comprehensive Student Induction Programme designed to ease the transition of new students into college life. It aims to familiarize students with academic and extracurricular activities, institutional culture, and personal development opportunities.

The program focuses on following key areas:

- **Socialization:** Facilitating interactions among new students, senior students, and faculty members.
- **Association:** Introducing students to the college/university environment, including departments and facilities.

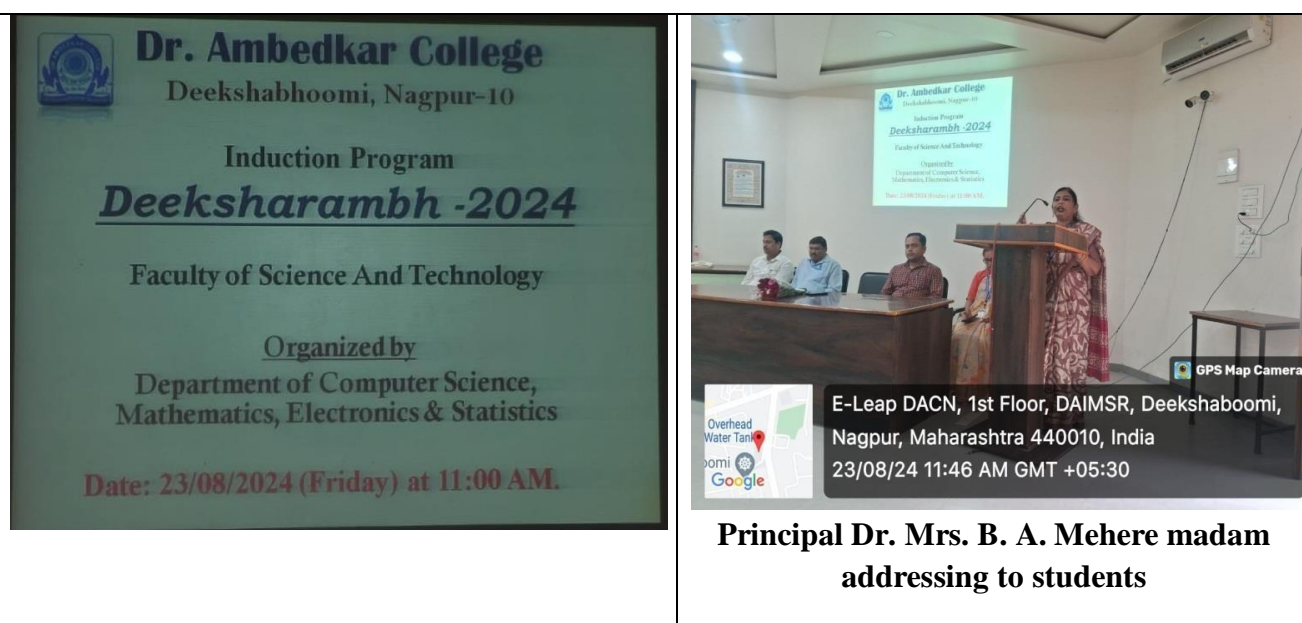

- **Governing:** Educating students about institutional rules, regulations, and available support systems.
- **Experiencing:** Engaging students in activities like group discussions, physical exercises, creative arts, and exposure to universal human values.

The programme is mandatory for all newly admitted students and is designed to help them adjust, build bonds, and explore their purpose and self-awareness.

This year the **Department of Computer Science, Statistics, Mathematics & Electronics** jointly organized and conducted the Induction Program [Deeksharambh] program for B.Sc.-Sem-I (Major) students on 23-08-2024 at 11:00 AM in Mini Auditorium.
