DETAILED REPORT OF THE PARENT TEACHER INTERACTION

The Department of Law had organized a parent-teacher interaction with the parents of II sem 5 yrs course students. This was arranged with a view that parents and teachers can come together on a common platform and deliberate upon the academic progression of students. The meeting began with garlanding of the portraits of Lord Gautam Buddha and Dr Babasaheb Ambedkar. Thereafter the Head Department of Law Dr V V Deshpande welcomed the parents and thanked them for joining into this meeting. She informed the parents about the different

initiatives taken by the Department for students of law and appealed to the parents that they must become equal partners and collaborate with the teachers to help students build their futures more sustainably. She specially emphasized on the Moot Court Competition which has been the hallmark of the Department for several years. She congratulated the parents of those students who has participated in the said competition and revealed that these students will now be fetched opportunities to represent the institution outside at national level. Dr Deshpande also briefed the parents about the internal assessment system followed by the Department. She told them about the legal aid cell and other clubs and associations of the Department in which their wards could take active part.

This was followed by a very meaningful interactive session in which parents applauded the Department for its good work and were also forthcoming with many suggestions. They put forth several suggestions about the ways in which the Department could facilitate good internships for law students, about various other skill development activities that the Department could initiate.

This interaction was followed by a Presidential address by the Principal Dr Mrs Deepa Panhekar. She too welcomed several suggestions by the parents and assured them that all their suggestions will be taken seriously by the Department. She also remarked that she would look forward to seeing students of this college becoming High Court and Supreme Court judges in future. She also informed the parents that they could, with prior appointment, come to meet the teachers on any working Saturday between 11 am and 3 pm in the Department to discuss their issues and concerns.

The meeting was conducted by Prof Sandhya P Kalamdhad and the vote of thanks was also proposed by her.
