## **Report on Workshop on “Effective Use of ICT Tools in Education”**

A workshop on “Effective Use of ICT Tools in Education” was organized for **B.Com students** on **8th April 2025** at **9:00 AM** in **Room No. 106**. The objective of the workshop was to empower students with practical knowledge and skills for effectively integrating Information and Communication Technology (ICT) into the educational process.

The session commenced with a welcome address, emphasizing the increasing relevance of digital tools in transforming traditional classrooms into dynamic, interactive learning environments.

**Dr. D. H. Puttewar**, an expert in educational technology and digital pedagogy, was the **resource person** for the workshop. She covered the following key topics:

- **Introduction to ICT in Education.**
- **Overview of popular tools** such as Google Classroom, Google Lens, Google Drive, Google Docs, ChatGPT, PowerPoint (PPT), and Canva.
- **Use of multimedia presentations and videos** for effective communication.
- **Hands-on session** on creating interactive quizzes and engaging presentations

The students actively participated in group activities and hands-on training sessions, where they explored and experimented with various digital tools. The interactive format of the workshop helped enhance their presentation and communication skills using ICT resources.

The workshop concluded with a **feedback session**, where participants shared their experiences and expressed appreciation for the practical and informative nature of the workshop.

Total 143 students were present for this workshop. Workshop’s Coordinator Dr. D. H. Puttewar thanked all the students and appreciated the students for their ICT tools Learning.

### **Outcome:**

The session successfully enriched the digital literacy of the B.Com students and encouraged them to utilize ICT tools to improve their academic and presentation effectiveness.
