## REPORT

### Introduction

The Department of Computer Science at Dr. Ambedkar College, Deekshabhoomi, Nagpur, organized an induction program on August 4, 2025, to welcome the new M.Sc. Semester I students. Held in the IT Lab (Room No. 104) and hosted by M.Sc. Semester III student Sakshi Nandagawali, the event also saw participation from Semester III students who were invited to share their experiences. The program's goal was to introduce new students to the department's history, academic structure, and extracurricular opportunities.

---

### Program Highlights

The event began with a comprehensive welcoming speech delivered by a representative of the M.Sc. Semester III students. The speech offered an overview of the college and department, highlighting several key areas:

- **About the College:** The speaker noted that **Dr. Ambedkar College**, established in 1964 by the People's Education Society (founded by Dr. B.R. Ambedkar), is affiliated with **Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)**. The college holds significant cultural importance due to its proximity to Deekshabhoomi and has a long history of producing successful graduates.
- **Department of Computer Science:** Established in 1999, the department introduced the M.Sc. program in 2003. The speaker highlighted the department's strong resources, including over **65 computers**, a dedicated faculty, and a history of producing **university toppers and gold medalists**.
- **Leadership and Faculty:** The speech introduced Principal **Dr. Mrs. Deepa Panhekar** for her visionary leadership. Head of Department **Dr. P.V. Nimbalkar** was also recognized for his extensive experience and student-centric approach. Other faculty members, including the M.Sc. Coordinator **Dr. Vijeet Meshram**, Dr. Pooja Kavishwar, Mr. Vitthal Bondar, Mr. Rakesh Uikey, Ms. Purva Manpe, and Mr. Ravindra Kalambe, were also introduced.
- **Academic and Extracurricular Activities:** The speech outlined the M.Sc. course structure, including hands-on projects scheduled for **Semester II (Mini Project)**, **Semester III (Research Project)**, and **Semester IV (Major Project)**. The speaker also discussed extracurricular opportunities like the annual **Tech Fest**, industrial visits to IT companies, and recreational trips.
- **Motivating Message:** The program included a short, motivational speech from the Head of the Department, **Dr. P.V. Nimbalkar**. He welcomed the new students and spoke about the department's vision, encouraging them to excel in their academic journey.
- **Mentorship and Support:** The initial speech concluded with a message of encouragement, reminding new students that they are part of a supportive community.

It emphasized the importance of asking questions, participating in activities, and seeking help from faculty and seniors.

---

## Conclusion

The induction program was a successful event that effectively welcomed new M.Sc. students. The comprehensive speeches provided valuable information about the department's rich history, academic expectations, and vibrant student life, setting a positive tone for the new academic year. The program successfully established a sense of community and support, preparing students for a meaningful and memorable academic journey.
