TITLE OF PROGRAMME: INDUCTION PROGRAMME

DATE OF PORGRAMME: 13-08-2025

NUMBER OF STUDENTS: 80

Dr. Ambedkar College, Deekshabhoomi, Nagpur, conducted an Induction Programme for newly admitted first-year students with the objective of familiarising them with the college environment, academic structure, facilities, and support systems. The programme aimed to ease the transition from school to college life and to help students integrate smoothly into the institution's academic and cultural framework. The objective of the programme was to welcome and orient freshers to the college ethos and values and provide detailed information about academic programmes, co-curricular activities, and support services.

The induction programme commenced with introductory remarks by Dr. Mrs. D. Y. Panhekar (Officiating Principal) of the college wherein she urged students to seek benefits from the college infrastructural facilities and academic environment. She also highlighted the college's legacy, mission and vision. She welcomed the freshers with inspiring thoughts and achievements of students in the past years.

A presentation on NEP was made by Mr. Manoj Andraskar (Department of English) that included the structure, university guidelines, credit framework and examination pattern. An overview with another powerpoint presentation was done by Ms. Anuska Chowre (Student from B. A. Sem V) wherein she covered overview of undergraduate and postgraduate courses; Library resources and reading room facilities; ICT-enabled classrooms; Sports and cultural facilities; Resource centre for visually impaired students.; Mentorship and counselling services; Scholarship opportunities; Grievance redressal mechanisms; NCC, NSS, Cultural Cell, and Student Clubs; Opportunities for research, internships, and community engagement; Rules and regulations regarding attendance, punctuality and academic integrity, Career Katta, etc.

Subject Teachers gave a detailed information on departmental activities conducted through academic session and as given in annual programme plan. Feedback from Final year students was also obtained on this occasion.

The programme was entirely designed and conducted by students of the exiting year. Mr. Abhishek Bhute, Ms. Anushka Chowre, Ms. Tarana Sukhdeve and Ms. Samiksha Rangari planned the entire event.
