NOTICE

Deeksharambh 2025

The **Department of Mathematics** at Dr. Ambedkar College, Deekshabhoomi, Nagpur is delighted to announce a "Deeksharambh" program for all newly admitted B.Sc. Semester I students.

This orientation program is designed to help you smoothly transition into college life and your academic journey. We will provide detailed information on the following:

- **Syllabus:** An overview of the B.Sc. Semester I (NEP) Mathematics Major syllabus.
- **Examination Schedule:** Tentative dates for both internal and external examinations.
- **Internal Marks:** A clear explanation of the rules and criteria for internal assessments.
- **Departmental Activities:** Information about the various academic and extracurricular activities conducted by the Department of Mathematics.

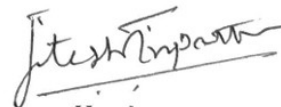

Your presence is highly encouraged as this session will answer many of your initial questions and help you prepare for the semester ahead.

Date: August 5, 2025

Time: 11.00 am

Venue: Room No. 205.

We look forward to meeting you!

Head,

Department of Mathematics
Dr. Ambedkar College,
Deekshabhoomi, Nagpur.

Report:

The Department of Mathematics successfully conducted its "**Deeksharambh**" orientation program on Tuesday, August 5, 2025, for all newly inducted B.Sc. Semester I students.

The program was designed to provide students with essential information to help them begin their academic journey smoothly. A total of **11 students for Major Mathematics** were present at the session.

Dr. Jitesh Tripathi, Head of the Department of Mathematics, interacted with the students and provided detailed information on the following key points:

- A comprehensive overview of the B.Sc. Semester I Mathematics **syllabus**.
- The **examination schedule** for both internal and external assessments.
- The **rules and criteria for internal marks**.
- An introduction to the various **departmental activities**, including academic and extracurricular events.

The session concluded with an interactive Q&A where students' queries were addressed. The program was well-received, and the students were encouraged to engage actively in their studies and departmental life.

A formal **vote of thanks** was proposed by **Mr. Abhijeet Singh**, a student of B.Sc. Semester I (NEP), on behalf of all the students.
