NOTICE

Student's of Department of Physics are organizing "Teachers Day" on 4th September 2025. They have invited all the teaching and Non-teaching staff for the program.

HOD

Dr. A. N. Wazalwar
Head & Professor,
Dept. of Physics
Dr. Ambedkar College,
Deekshabhoomi,
NAGPUR.

REPORT:

Teacher's day celebration was organised by the students of B.Sc. 1st, 2nd and 3rd year for session 2025-26. All the teachers were invited respectfully with a token of love. The program was started with lamp lighting along with the welcome of the Principal, Head of Department and all other faculty members by the hands of the organising team members. The Principal addressed the students with her inspirational words and motivational thoughts.

The students of Second and Third year performed a short skit depicting a class of physics inspired by the faculty members. All of them enjoyed it very much and gave a good response to it. After that a short lazy dance was performed by the first-year students making all the audience happy and cheerful. A games session was conducted for the teachers including Limboo Chamcha, Physics Rapid Fire, Antakshari and Dumb charades. All the teachers enthusiastically participated in all the activities and winners were appreciated with gifts.

At last a pot lunch was organised where all the students brought different food items from their homes and was served happily for all the teachers. Everyone enjoyed the food and teachers addressed the organising team appreciating all the efforts taken by them in organising this wonderful programme. Feedback from students was also taken after the programme.

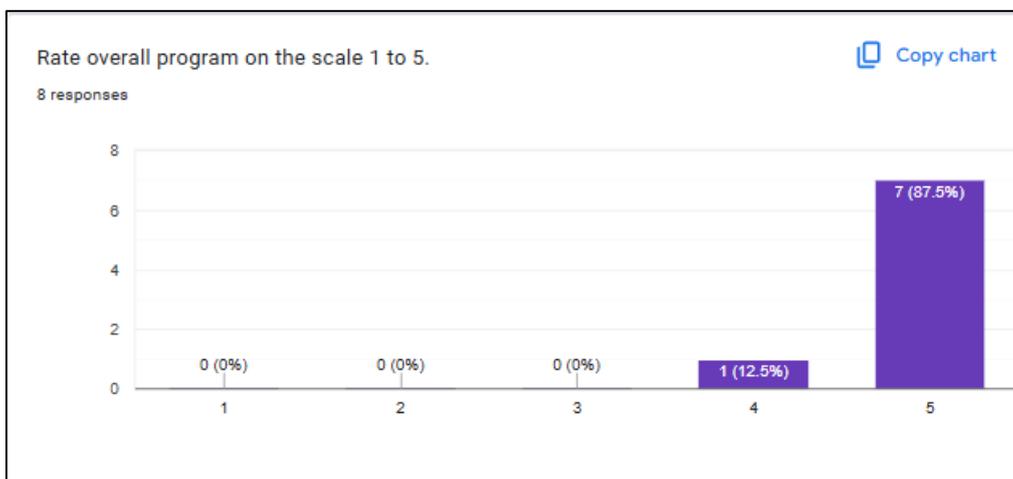

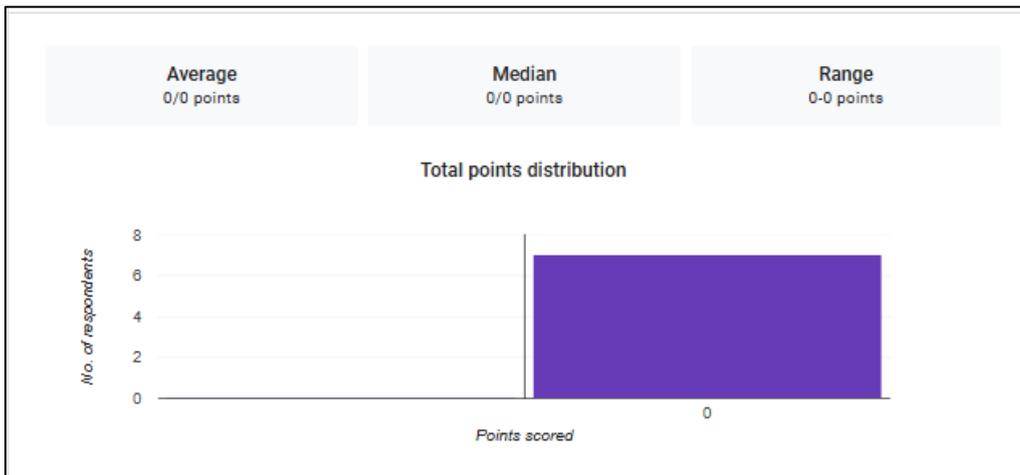

List of Students of organising team:

Sr. No.	NAME	B.Sc [SEMESTER]	MOBILE NUMBER
