- ACTIVITIES

Details of the Sessions

Mode of Sessions: Interactive PPT presentations, discussions, and activities.

Participants: Undergraduate students (approx. 35 students attended).

CONDUCTED BY:

DR. SHAILESH BAHADURE

Topics Covered:

Critical Thinking: Students were introduced to techniques of analyzing situations logically, questioning assumptions, and making sound judgments. Activities included stories and case studies to encourage reasoning beyond surface-level understanding. **Body Language:** The importance of posture, gestures, facial expressions, and eye contact was explained. Students learned how non-verbal communication can strengthen confidence and trust in personal and professional life.

Problem Solving: Practical strategies for identifying challenges, generating alternatives, and implementing solutions were discussed. Short stories and examples were used to demonstrate creative approaches to problem-solving. **Creative Writing:** Students explored the role of imagination and expression in writing. Examples of famous authors and content creators who achieved success through writing were shared to highlight how creativity can lead to recognition and opportunities. **Leadership:** Different leadership styles and the qualities of an effective leader were explained. Students reflected on how leadership skills can help in academics, group work, and future careers.

Communication and Collaboration: The session emphasized effective speaking, listening, and teamwork. Activities demonstrated how communication builds stronger relationships and how collaboration leads to shared success.

Report on ADD-ON COURSE

Soft Skills Sessions

A series of sessions on **Soft Skills Development** were organized for students of the college (B.A. SEM 5-SESSION 2025-26) to enhance their overall personality and employability. The sessions focused on essential skills such as **Critical Thinking, Communication, Collaboration, Problem Solving, Leadership, Creative Writing, and Body Language.**

Objectives:

To develop communication and interpersonal skills.

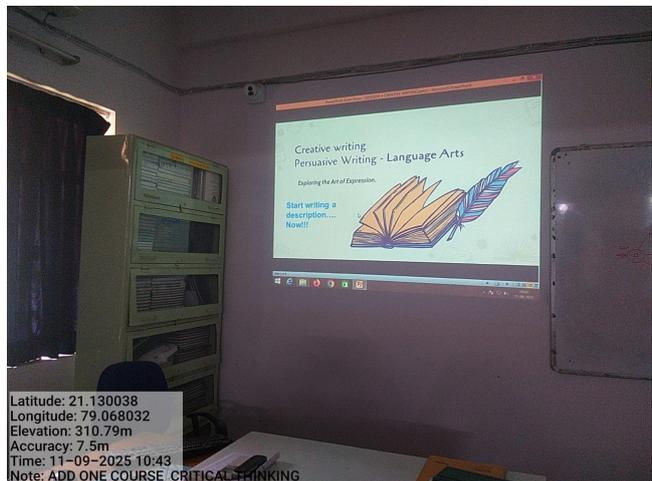

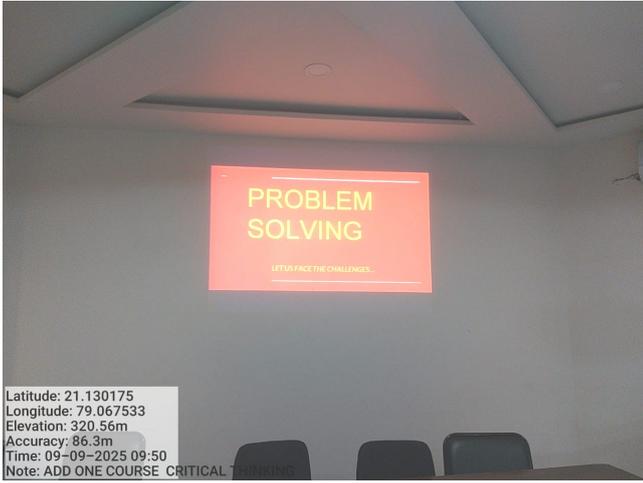

To strengthen teamwork and collaborative abilities.

To encourage creativity and expression through writing.

To build leadership qualities for academic and professional growth.

To create awareness about the importance of body language in personal and professional interactions.

To foster critical thinking and problem-solving skills.

Highlights of the Sessions:

- ⇒ Use of PowerPoint Presentations with real-life stories and case studies.
- ⇒ Students participated in interactive discussions and role-play activities.
- ⇒ Examples of famous personalities who achieved success through creativity, leadership, and communication were shared.
- ⇒ Visuals, short videos, and stories were integrated for better engagement.

Outcomes:

- ◆ Students gained confidence in public speaking and communication.
- ◆ Improved understanding of teamwork, leadership, and collaboration.
- ◆ Awareness about the role of creativity, problem-solving, and critical thinking in academic and professional growth.
- ◆ Development of positive body language and self-presentation skills.
- ◆ Motivation to apply soft skills in real-life situations.

The sessions were highly interactive and effective in building essential soft skills among students. They expressed positive feedback and showed interest in attending more such skill-oriented programs.
