

**Dr. Ambedkar College, Deekshabhoomi, Nagpur**

**Department of Physics**

**Date of Program : 18/06/2025**  
**No. of Students Present : 30**  
**Hosted by : Department of Physics**  
**Name of Program : Placement Drive of STEM**

## **NOTICE**

The Department of Physics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, successfully organized an online placement drive for its students on 18/06/2025. The initiative aimed to provide meaningful career opportunities for both undergraduate and postgraduate students in the fields of STEM, Physics and Artificial Intelligence (AI).

A total of 40 students participated, including 30 undergraduate and 10 postgraduate candidates. The placement process was conducted virtually and included screening rounds followed by interaction sessions with recruiters. The recruiting organization, GSL, offered a unique opportunity for selected candidates to work as STEM & AI trainers in schools.

**Training and Engagement Terms:**

The selected candidate(s) will undergo comprehensive training by GSL on STEM & AI programs. The training package includes access to all essential materials and resources, ensuring that candidates are fully equipped to deliver engaging, curriculum-aligned sessions in the assigned schools. The candidates would be offered honorarium: ₹1,500/- per day of training services delivered in schools (exclusive of taxes). The engagement will run for the entire academic year (June 2025 – March 2026), ensuring continuity and completion of the program. Each STEM program will consist of 24 to 28 sessions across the academic year. Tentatively, trainers will visit the schools twice a week (subject to school schedules) covering session of 45 minutes duration.

The placement drive was well received by both students and the recruiting team. Students appreciated the chance to combine their subject knowledge with practical teaching opportunities in STEM and AI, while also contributing to school-level education. The department expressed satisfaction with the active participation of students and the professional approach of GSL.

The online placement drive organized by the Physics Department proved to be a valuable career-building platform for the students of Dr. Ambedkar College. It not only opened doors for employment but also encouraged students to engage with the growing fields of STEM and AI education, thereby aligning with national priorities in skill development and technological innovation. A student of M. Sc. Physics, Ms. Smriti Mankar received agreement/offer letter by STEM.

## AGREEMENT

THIS AGREEMENT is made and entered into effective **09<sup>th</sup> July 2025** at Mumbai.

### BY AND BETWEEN

**Ms. Smriti Dhananjay Mankar**, an individual having address Narsingh Nagar, Rathod Layout, Wadgaon, Yavatmal, Maharashtra - 445001 (hereinafter referred to as "**Trainer**" which expression shall, unless it be repugnant to the context or meaning thereof be deemed to mean and include its successors and permitted assigns) of the **FIRST PART**.
